

The "Welcome To The Real World Booklet"

An Anti-Suppression and Remote-Mind-Control Antidote
with supplemental information: "Terror by the Numbers"

Forward

"If a writer publishes any thing that attracts notice, and is in itself just, but does not accord with our plan, we must endeavor to win him over, or decry him. The great strength of our Order [**Freemasonry**] lies in its concealment; let it never appear in any place in its own name, but always covered by another name, and another occupation. Of all the means I know to lead men, the most effectual is a concealed mystery. The hankering of the mind is irresistible;" Adam Weishaupt 33^o, founder of the "Order of the Illuminati"

" Knowledge will always govern over ignorance. If our nation [THE USA] is ever taken over, it will be taken over from within. " - Honorable 4th President James Madison

So, hey there fellow friend, what is going on? And do you really want to know?

If so, take a look at this eye-popping set of quite remarkable facts. However, this information expressed in this booklet is not entirely delightful, and may startle and even frighten you, or anger you - say, if you happen to be employed as a soldier; and those would be natural responses. Books containing warnings can often produce a fear response in the reader.

This is quite ironic, because this book contains a warning about an existing world government that promotes fear through the mass televised media, as weapon of control against the great many people of the world. This is part of our "real world".

Simply expressed, a self-serving and maximally corrupt fraternity of evil, the current establishment "system", has amassed its power and seized nearly the world - and it is time for many more and more people to start to become aware of it; as their futures/lives depend on it. This cabal of global establishment kingpins have been referring to themselves as the "New World Order". Scary, real, and true. { Note: It is not pleasurable to find out how the world is currently set-up. There certainly will be many pleasure seekers who will not care to discover more. }

Greedful souls, in a carnal form - in the hearts of so many, to proportions previously unheard of, have increasingly bonded together into a chokehold over the economies of the world and its people. Your own survival in the world has been put into question by this group; as the right of life itself is rapidly being reduced, by this group's design, to a privilege sanctioned by these identified world government clad power elitists currently empowered in the world.

This is a booklet written especially for the people of the USA, by a fellow countryperson. I mostly write here in the third person, to limit the use of the word I, as this compilation is not about my little 'ol self, { Eric James Rainbolt, 35, of Chicago, Illinois & Austin, Texas. }

Nor has this been written for money, as it is given away freely across the currently open internet. Nor has this been produced for fame, as it will be published freely at large over the internet and likewise, rather anonymously. This concisely presented booklet of historical research is solemnly presented in a spirit of good will for everyone.

Also, this booklet was not produced for the purpose of blaming the societies and people exposed in it; nor judging them, in terms of each of their own unique and eternal fates.

The societies, networks, and people identified in this book actually believe they are doing some good for the world, through creating a premeditated and entirely controlled global political landscape, world legislation, terror events such as the many "9-11" emergencies, premeditated chaos and two world wars so far, and the planning of this coming era's third world war {involving biological warfare, etc.}. The power of this group has been amassed by employing and administering a world-wide system of financial control based on a privatized, corrupt, global, and hierarchal [if also the word monarchal can be used here] usury (interest) based banking network; all the while utilizing psychological techniques of mass mind-control through the world's entirely infiltrated and compromised corporate print & televised mass-media.

" The real menace of our republic is the invisible government, which, like a giant octopus, sprawls its slimy length over our city, state and nation. At the head is a small group of banking houses generally referred to as international bankers. This little coterie of powerful international bankers virtually runs our government for their own selfish ends. " - New York Mayor John F. Hylan, 1922

" Federal Reserve notes are NOT dollars. "
- Russell Monk, Assistant General Counsel Department of the Treasury, 1977

" Any dictator would admire the uniformity and obedience of the U.S. media. "
- Noam Chomsky, Political Author, 2001

In simpler terms, getting pulverized is the price populations of the West will periodically pay for their insouciant acceptance of the central bankers' phoney "war on terror".

As distasteful as it may seem to state the truth of of these matters, the global "Order of Freemasonry", which is largely based on Judaism, is the executive political organ of the Jewish financial elite. { Ever heard the phrase: "The Jews control Hollywood."?} About 300 mainly Jewish banking families have used Freemasonry as an instrument to subvert,

control and degrade the Western world. The, still existing, network of London-based masonic bankers and their cronies brought Hitler to power in order to provoke war, control Stalin, and justify the creation of Israel, amongst their array of historical atrocities. [They betrayed millions of non-Zionist Jews and let them perish during the holocaust of the 1940s.](#) So, those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power over the United States.

Over the centuries, our minds have been molded, our ideas suggested, and our morals eroded, largely by men (and a degree of women) we have never heard of; much less voted into power. The Mormons, Jehovah Witnesses, Rotary & Lions Clubs were also founded by the masonic order; as their power has been so widespread. Wow! But true.

" Freemasonry plays the same role in Western society as the Communist Party did in the Soviet Union. Without belonging to the freemasonry there is no chance of a fast career, regardless of how talented one is. Put another way, a private credit monopoly controls the governments' purse strings. the Morgans and now the Rockefellers run the United States. (72) The principle mechanism is the Council on Foreign Relations. " - Dr. Henry Makow, current day Canadian NWO researcher, 2003 (www.savethemales.ca)

" The real rulers of Washington are invisible and exercise power from behind the scenes. "
- Justice Felix Frankfurter - US Supreme Court Justice, 1973

" The individual is handicapped by coming face-to-face with a conspiracy so MONSTROUS he cannot believe it exists. " - J. Edgar Hoover, Former FBI director (1924-1972)

" Terrorism is the best political weapon for nothing drives people harder than a fear of sudden death. "
- Adolf Hitler, Charismatic yet Brutal War Mongering German Dictator

" War is caused by elites acting in what they take to be their own interests, institutional violence promulgated by ruling groups for personal gain. " - The Nation magazine, 5/15/2000, p20

Is this what Jesus, for example, would decide to do to his neighbors? Quite the opposite, many would agree. Within the dark spiritalism and religion of this class of people, notably at the higher levels of elitism, it has been discovered they believe they have have been granted a divine right to rule over "lesser men [and women]" - to monopolize their various economies, to lie to them, to control them through a concealed mystery, and systematically murder, singularly - or in mass, "lesser" people, when desired; thereby entirely disregarding the precept in which the authors of the US Constitution and many of us hold in our hearts and souls - that we are each created equal in the Creator's eyes.

" I think myself that we have more machinery of government than is necessary, too many parasites living on the labor of the industrious. Government big enough to supply everything you need is big enough to take everything you have ...

The course of history shows that as a government grows, liberty decreases. The two enemies of the people are criminals and government, so let us tie the second down with the chains of the constitution so the second will not become the legalized version of the first. "

" Single acts of tyranny may be ascribed to accidental opinion of the day; but a Series of oppressions, begun at a distinguished period, and pursued unalterably through every change of ministers (administrations) plainly PROVES a deliberate, systematic plan of reducing us to slavery. "

" When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident; that all men are created equal; that they are endowed by their creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness; that to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that whenever any form of government becomes destructive to these ends, it is the right of the people to alter or abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. " - Thomas Jefferson, Rigid Constitutionalist

Look at the world now; what is happening all around you?

The New World Order group is currently the most powerful influence over the affairs of all mankind that ever was in humankind's long, rather wretched, and sordid history.

The elitists are behind the centuries-old-lies of history, behind every shocking political assassination, behind every war since the Napoleonic era, behind the massive corruption in your government that trickles all the way down to your local police station, and even hidden behind a veil of historical deception, intentionally hidden; so you would not know these big-wig establishment controllers are there, much less know their names.

Simply, this booklet contains a strong warning for most everyone, and ample evidence to (maybe) prompt a massive civilian investigation into the matters exposed throughout the text of this short, yet comprehensive, 45-page booklet.

A 2nd American Revolution is not likely, due to the increasing moral decay, ignorance, indebtedness, and apathy prevalent inside America; nor is highlighting the need for a global reformation the greatest purpose of sharing the knowledge contained herein this booklet, with you. In this manner, this booklet was not written in vain; despite a global revolution to soon occur - or not.

This booklet is about the truth of history, a world history that has been slowly but surely built upon a web of massive world evangelized lies and multiple foundations of bullets, bombshells, and corpses of armies, mothers, and children around the world.

Reality is world history that almost no one should be proud of.

You might already know the above statements to be true, but how is this almost unbelievable testimony true, and how do the globally cast lies, corruption, and warfare continue beyond this day? To the researcher composing these paragraphs, the answer appears two fold:

1) It is the will of the Original Creative Spirit, or unique God, who has masterminded the creation [and Fatherhood] of this world as expressed clearly in Revelation 17:17, and possibly other prophetic texts,

" For God has put it into their hearts to accomplish his purpose by agreeing to give the beast their power to rule, until God's words are fulfilled. " - Revelation 17:17

2) There is little, or barely any at all, consensus amongst the people of the world regarding the truth of the world's history and the true state of the world today.

Likewise, most people of the world have not been made aware, and are not displaying alertness or awareness, of the existing, although corrupt, world government, and its primary ties throughout global Freemasonry. { Yes, it is likely your grandfather, or a friend's grandfather may have been involved in the order of Freemasonry, as there about 6 million initiated masons worldwide from the 1st to the 33rd degree level. Most all "33rd degree" Freemasons, like the recent two Bush presidents, are involved in governments all around the world. There are two sects of Freemasonry known as the York Rite (having "9" degrees of secrecy) and the Scottish Rite (having "33" degrees).

Simply, freemasonry is a global fraternity of men wishing to retain and grow their wealth and power, without limitation. Although, the world government is slightly hidden - it is there, like a cancer would mastasticize inside a person; it has already formed off the existing economic & political system of the world - and by surprise! However we can also just call this hidden controlling class 'mastodonicly wealthy individuals' or 'international bankers' - or simply the 'money power' or 'the war starters'.

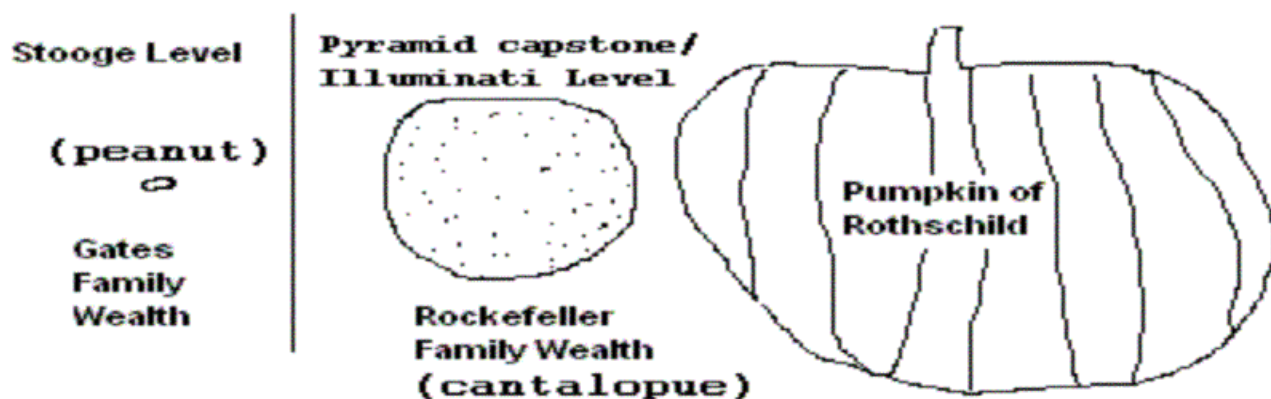

The point this book will make is this: the 'History' books throughout the entire world's public educational system have been censored, edited, and produced over the centuries

by publishing corporations owned and controlled by the establishment trillionaire elite, the so called royal bloodlines; the elite family dynasties who have intentionally crept into the shadows of their own lies and have hidden themselves as much as possible from public perception and recognition, for the purpose of continuing to profit enormously. Wars, revolutions and depressions are all part of this "revolutionary" process designed to frog-march humanity to "world government" under the concealed rubric of Freemasonry.

Wow! So, basically you, and most everyone else, have already been taught historical lies hundreds of times throughout your controlled establishment education, in the USA or London, everywhere. And again, this particular sect of humanity, the 'elite', has engaged in this process of hiding their influence over the centuries, to escape any public condemnation, and for their own continued freedom to engage in whatever they wish to do (including mass murder of epic proportions, notably two World Wars thus far, and a Third World War being scripted and now underway). The members of this clan consider themselves above every law, even every one of The Ten Commandments of God. Theologically, they are of the "anti-christ" spirit.

If you have barely heard of the names House of Rothschild and Rockefeller, this is precisely what is meant by their whitewashing of history. The Rothschilds (originally from the name Bauer) and Rockefellers happen to be the two wealthiest family dynasties existing on Earth today, but you probably didn't definitely know that to be true.

Likewise, these family dynasties have chosen to combine, rather than compete with their powers over the past two centuries. { Note: In comparison, these two families side-by-side make Bill and Melinda Gates, of Microsoft's fortunes, comparatively look the size of a peanut drawn next to a full size of a cantaloupe and a giant pumpkin. In this analogy the giant pumpkin would represent the wealth of the House of Rothschild; symbolizing the network of financial power they have seized over the entire world. }

On this same note, many semi-enlightened people of Israel even often joke how their country was set up and is controlled today by the Rothschilds. You can simply ask most any or a few Jewish persons of Israel. If they are honest, they will tell you the

Rothschild rumor is true. It is as if it is a regular word in their language. However, most American people hardly know of this. Maybe some/most figure they don't need to care about anything about such matters.

In 1976, a researcher named Taylor Caldwell demonstrated in her summary of the Iron Mountain Report , the military genius of plans by Rothschild, Albert Pike and the World Revolutionary Movement, she wrote: " There will be no peace in the tormented world, only a PROGRAMMED and SYSTEMATIC series of wars and calamities -- until the PLOTTERS have gained their objective: an exhausted world, willing to submit to a planned Marxist economy, and total and meek enslavement -- in the name of peace. " (Taylor Caldwell, Ceremony of the Innocent, p.289, Fawcett Books 1976; Leonard C. Lewin, Report From Iron Mountain On the Possibility and Desirability of Peace, 1967; Ralph Epperson, The Unseen Hand, 1985)

There are over six-million masons in 32,000 lodges around the world including 2.5 million in the US. There are 360,000 masons in England. Three-quarters of US Presidents in the 20th Century were high-level masons. More than 2/3rds of the current US congress are masons. Both the 2nd Bush and John Kerry are freemasons (Skull & Bones), even "Reverend" Jessie Jackson is a 33rd degree freemason - so you can include everyone in Washington DC between those seats of power as well. FDR, Churchill, Lenin, Trotsky and Stalin were masons. Most Zionist leaders were and are masons. Gerhard Schroeder, Jacques Chirac, Vladimir Putin, and Tony Blair are Freemasons; so is Sadaam Hussein, which suggests the Iraq war could be a sadistic charade.

The 33rd degree Grand Lodge of the Scottish Rite of Freemasonry is located exactly "13" blocks north of the White House above an upside down **pentagram** outlined by the road layout which pinpoints the location of the White (better pronounced "Reich") House.

The Thirty-three Degrees of Freemasonry: 33° Grand Inspector General, 32° Sublime Prince of the Royal Secret 31° Grand Inspector Inquisitor Commander, 30° Grand Elected Knight Kadosh, Knight of the Black and White Eagle, 29° Knight of St Andrew, 28° Knight of the Sun, 27° Commander of the Temple, 26° Prince of Mercy, 25° Knight of the Brazen Serpent, 24° Prince of the Tabernacle, 23° Chief of the Tabernacle, 22° Prince of Libanus, 21° Patriarch Noachite, 20° Venerable Grand Master, 19° Grand Pontiff, 18° Knight of the PelicanEagle Sovereign Prince Rose Croix of Heredom 17° Knight of the East and West, 16° Prince of Jerusalem, 15° Knight of the Sword, or of the East, 14° Scottish Knight of Perfection, 13° Royal Arch (of Enoch), 12° Grand Master Architect, 11° Sublime Elect, 10° Elect of Fifteen, 9° Elect of Nine 8° Intendant of the Building, 7° Provost and Judge, 6° Intimate Secretary, 5° Perfect Master, 4° Secret Master, **3° Master Mason, 2° Fellow Craft, 1° Entered Apprentice** { Not wishing to impugn the many good and decent men in the lower " **Blue Degrees**" who are unaware of Freemasonry's true function and character. But there is abundant evidence and testimony that Freemasonry, viewed in whole, is just as what is described in this report, or worse. In other words, millions of idealists committed to "human brotherhood and equality" were (and are) duped into advancing a totalitarian scheme to concentrate the world's wealth and power into the hands of the super-rich elite. }

A masonic German magazine in 1910 printed the following: " The driving thought is at all times focused on destruction and annihilation, because the power of this great secret society can only rise from the ruins of the existing order of society. "

So, because the above statements might be too creepy, too shocking, too hard to digest, or in a greater sense, believe, for most anyone reading this, we will get right into what is meant by mind-control, and why it is so important to these powers that be.

" One of the least understood strategies of the world revolution now moving rapidly toward its goal is the use of mind control as a major means of obtaining the consent of the people who will be subjects of the New World Order. "

- K.M. Heaton, from The National Educator.

There have been hundreds other reports and books over the decades published on the topic of the New World Order, The Illuminati, The Occult, the 33rd degree Freemasons, Luciferianism, Bible Prophecy, The UN, Methods of Mind Control, The JFK Assassination, etc, but none of them seem to have caught the general public's imagination to any significant, lifestyle-changing, world-wide-view changing, and wide-spread, extent.

So, the global money mob has continued to empower themselves, unabated. The promotion of fear has been used, psychologically, as a weapon, by the world's propagandists, to fuel denial of this disgraceful scheme in most.

However, the researcher who typed up this booklet, and thousands of other aware researchers, do not deny, at all, that there is an enormous social problem in the world, and that an already existing world government is already in power without a single vote having been cast; which is held into place through the dark hearts of secretive and conspiring men mostly within the global fraternity of high degreed Freemasonry. Each high-degreed freemason each has a job/role in the world government, aside from their public career/image. This is where the mystery, of all that has really happened, has mostly been concealed. If any initiate exits from Freemasonry, they (or their family members), lose their esteemed or luxurious high paying job(s) within the establishment, or get threatened, or attacked. Few ever have come clean. Most defectors from the order just go as far as telling their son(s) not to get involved. Often they don't even tell their wives what they are truly involved in. (surely as no woman with a good conscience would tolerate being a supporter of it.)

This extremely short compendium, it is hoped, will be a cup of coffee strong enough to assist waking a remote-controlled humanity out of its ongoing slumber. Most of the human race has been mentally manipulated and surreptitiously controlled by this controlling class: with nationalism, with pride, with dogmatic religions, with lies, with psychological manipulation, fake "news", and other weaponry; over many generations.

Who can seriously argue against the facts that History have always been written by the victors? And who can seriously argue against the facts that governments have perpetually lied to their own citizens, from small lies to the greatest and ongoing of lies? (Not only lies, but cold-blooded mass murder as well, such as 9-11-2001; a world government inside job which was presented as an Arab inside job.)

On an affiliated topic, how many sane doctors out there would insist that a toxic heavy metal mercury solution, known as 'thimiserol', should be injected via the MMR inoculation into all newborn babies after birth? And how many sane dentists would agree that mercury dental fillings and drinking fluoridated (poisoned) water, from the public tap, is good for you - for your flesh or mind? And how many Americans today would think their votes actually count, or that there is a legitimate and healthy democracy thriving in their mind-controlled, police-and-military imprisoned, and soon to be un-united war-torn country?

Perhaps along the same lines Skull & Bones president Bush Jr. stated soon after 9-11, “ **If you are not with us,** [with those in constant public denial of these truths], **you are with the terrorists.**“ Now do you begin to clearly see why methods of mind-control are so important to the powers-that-now-be of this world, and how this malicious type of control is promulgated and manifested upon us all in an ongoing fashion?

They have taken our history, our dignity, our wisdom and our honor, sense of responsibility, spiritual insights, and our traditions. We have failed to act against this masonic madness due to our enormous gullibility. We have been totally fooled and ignored the warning signals all along this deliberate path of history.

So, if a friend of your's lied to you, and you found out, would you accept that and just be quite about it - not even telling your other friends at least or maybe your family? BUT, what if your president, or whole government for that matter, lies to you, with virtual direct eye-contact, through your TV. You know that you are being lied to and even smirked at. You not only feel it, but the facts you are aware of support your position. Would you just accept that and be quite about it? No big deal? Would you not tell all your friends about it?

The truth of this matter is indeed scary, but please don't be scared off from learning the truth of how world history is scripted, in advance, by fiendish masterminds. There is a reward for those who seek and honor truth, a great reward. That will be explained later in this text. On the other hand, the process of denial, or intentionally disregarding these types of facts, is certainly the biggest impediment to breaking the mental shackles of this

era of globalized mind-control; which is current status-quo/world environment.

Mind control is a sensitive topic, because most folks out there like to think of themselves as independent and free thinkers: sharp, educated, all-together, and aware. Typically, deniers don't particularly enjoy considering that a society of rich and powerful men regularly gathers in secret, and seat themselves around a roundtable, to plan out what will occur next around the world: changes to the supply of paper money or credit of various nations - or the interest rate it is loaned out to those governments and private institutions, moving entire stock or bond market indices up or down, a small-scale war or another world war, spawning a deadly h1n1-influenza-a pandemic, or profitting by planning out and rigging a global economic depression, etc.

This class of people have always profitted by intentionally 'crashing' markets; as it takes much time, creativity, and effort to help boost a market. Think about this though: it is easier to rapidly crash an entire economy - and profit from it, with say, a nuclear blast in a major city (and falsely blamed through the mass media on a 'perceived' 'enemy of the people'). Much more wealth, other material assests such as land/property, and power gets transferred to the criminal-elite during such a process; of creating a staged recession or depression and police state - than is destroyed in one of their staged world terror events. (An example being the World Trade Center buildings, peanuts compared to the police state powers and mass approval for endless war the global government gained.)

However, can you really deny at this time that what most everyone is told and experiences is manipulated by a centralized, corporatized, globalized, and powerfully controlling mass televised media? If your answer to that question is 'yes', who do you think tells 'the news' what to say to the public? Yes, the CIA monitors what is said to the public, but the dark powers in control are seated well above that one three letter **criminal organization**. { Perhaps CIA should really stand for Cocaine Importing Assassins, or maybe this one might hit the mark more today, al-Cocaine Importing Assassins-da. Yet there is no difference despite its name. The CIA was not formed and is not hired to protect the interests of The People of the United States of America, but primarily the interests of the Fortune 100 mega-corporations, and anything that may be of interest/profit to the elite personages that control those corporations; the Federal Reserve Bank is included as a powerful corporation, of course. This point is actually very easy to figure out - for most anyone - without having to look far into past history. }

But, most people are just too afraid to speak of or share these truths. They forfeit their ability to correct matters and help set the record and the facts of history straight, because a majority in any town hall can never seem to agree on these truths, even though, it is evident The People everywhere have always been scammed over and over by governments, all along the course of history. This has remained the current trend, but on an ever larger scale. The People of the whole world, including the whole melting pot

of the USA, are still cowering like a giant herd of sheep to sheepdogs and unabashfully allowing for this criminal activity, this unelected mob-like global rule; and it continues today... Unfortunately many act like sheep in choosing to think it is not their 'job' to understand what is really going on.

Clearly, the push by the world government of this era is to categorize people as subservient citizens of a certain country or region, or otherwise as terrorists. This is also enabled from the resulting total tracking and tracing system of computer files and networks, with numbers attached to people, already containing and associating an unlimited variety and number of permanent records on all citizens (beyond criminal records: geneological, medical, insurance, and financial, etc.) about any 'person of interest' to the world government. Millions of phone conversations are likely digitally recorded and archived daily by the NSA (“New World Order” Security Agency) and the European-based "Interpol". The system intends to 'disappear' people they view as disposable regularly in broad daylight. This is coming. Nice world being set-up, right?

Truly, any regular person, or ordinary person, mostly making up the middle and lower economic classes of the world, tends to get easily offended at being thought of as regular, ordinary, and especially “mind-controlled”. The accusation is often taken so personally, it is often used as the mental justification for denying any or all of the issues presented in a report like this one. They prefer going along with the great many lies of history.

Criminals often share as sense of honor amongst themselves, and also feel safer tucked into this overwhelming web of lies. The lies are also sweeter sounding than the truth, and take less mental and physical work to deal with; as the trap closes in ever more on their liberties, their way of life, and even their individual and family's survival. The New World Order does not offend its victims by alerting them that they are mind-controlled; as they are the mass-mind-controllers themselves. Most people, it seems, do not have the necessary sense of righteous indignation or intestinal fortitude to care about, investigate, share, support, and defend the truth of these matters.

So, again, the world government is providing only those two choices for people to choose from: subservience, or being labeled as a terrorist threat. Despite this psychological ploy of the existing world government - inducing fear as its principle weapon against humanity, the “New World Order” group remains in power because apparently their many tricks have been working quite advantageously for them; so far. Any American President, in the USA's long history, that has gotten too much in the way of the “New World Order” plan, has been assassinated by the group behind the movement: John F. Kennedy, Abraham Lincoln, Harding, Garfield - just to name a few. Luckily, Andrew

Jackson, who's personal mission was to defeat American's private banking system - during his 19th century presidency, and even temporarily succeeded, narrowly survived an assassination attempt by the clandestine elite network existing at his time.

" If the people only understood the rank injustice of our Money and Banking system, there would be a revolution before morning. " - Andrew Jackson, a popular, and righteous, and honorable, 18th century American President

Solutions?

Not until the day the great many people out there decide to get on the same page over the truth of history, educate their children properly, and refuse to be mind-controlled and abused no more, OR a divine intercession occurs, where the Spirit of Our Creator dramatically displays His existence in plain view to all - will an era of prolonged peace occur in this world. Those are the only two logical solutions to the nettlesome and tragic problem existing in the world today.

The illuminati-class of controllers are not just going to suddenly, in chorus, fess up by admitting to their past atrocities, give up their power and grandiose plans for world domination, and wander off into the woods back to their various castles. If this would occur however, we would need to forgive them for who they have been - as would be overseen by the heavens, and they would need to personally forgive the rest of the people of the world, in their now-cold hearts, for being so stunningly narrow-minded, naive, easy to manipulate, and control.

To the heavenly Spirit World, it certainly may seem to them that if the Illuminati were removed from power on Earth, by any means, then everyone would be out of "a job", sort of speak.

Ephesians 5:11-16 : " And have no fellowship with the unfruitful works of darkness, but rather expose them. For it is a shame even to speak of those things in secret which are done of them . But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil. "

Ephesians 6:12 : " For we wrestle not against flesh and blood, but against principalities, against powers, against the **rulers of the darkness of this world** , against spiritual wickedness in high places. " (KJV)

Ezekiel 33:6 : " But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. "

Evil/Dark/Selfish qualities and Good/Shameless/Selfless qualities within characters/souls would not exist in such proportions across the full spectrum of humanity without this secret network of control existing in our world.

This huge dilemma, that affects every soul, serves the Almighty God's purpose of formulating a Judgement. Also this environment tends produce higher qualities of patient suffering and enduring faith in many. Other selfless acts of goodness will precipitate and be recognized in this process; naturally arising out of the madness. This is why the Almighty Creator, known correctly (yet generically), to many as GOD, allows this Luciferian kingdom to arise during these times; to help produce a rather clear, and natural, division amongst various characters.

If the Illuminati system was replaced by an alert, intelligent, and righteous, public - {restated again} Our Creator's purpose for allowing this evil to exist in this world would be diminished. Offering an eternal salvation, the written reward/inheritance for adhering to scriptural truth, would be a much more onerous task for the Heavenly King, without the deception and good/evil separation induced by this prophetic "New World Order" conquest. Keeping a pure soul without embracing falsehood, in contrast to questing for wealth & power here on Earth - are each incompatible qualities with the other. Also, day to day, the world may not be so entertaining to Him - as it is, and His heavenly Kingdom, if this great set-up was not part of the world, as well. The angelic world has a higher station than the earthly world, and rightly so. All of us included in the grand theatre of this world, may be considered quite grand entertainment, at this point in the world's overall history, to those who currently watch the stage from above.

Those who truly see and understand the whole heavenly picture know that we are all observed as if we are the unaware actors, and we have an invisible, and mostly silent audience watching on from the other side. It even appears the 'other side' knows each of us much better - than how we are each known by others on this side. Beyond our individual words and actions, the Spirit World knows the feeling/love in each of our individual hearts, our soul's intent, and even our thoughts. Nothing is actually ever hidden between ourselves. Nothing is really kept a secret. The Spirit Father is capable of finding anything about anyone, and his vast communication network covers everything.

Back to the more mundane focus of this booklet, it is the hope of this researcher, that you, reading over this booklet so far, will be not so afraid or skeptical to read and consider the remainder of it, with a fresh mind unfettered by the grotesque array of lies that you have been taught by the elite establishment controllers throughout your education so far; again, principally the House of Rothschild and the Rockefeller family

trillionaire dynasties (and two handfuls of others) with their control over secret society networks, principally 33rd degree Freemasonry, and the many three letter intelligence organizations of the world: CIA, FBI, NSA, KGB, MI5, MI6, ETC. Also examine in this day how the dark brotherhood is even funding street gangs of adolescents to graffiti/paint “33” and “MS13” on the walls in cities all over the world as some wild aspect of their global plot. Watch UN police car 'toys' to be subsidized to your children, as toys, and also a ploy, to train them to accept and obey rule by a global government.

It is already occurring and more... (see the actual toy spoken of in the following photograph.)

New UN Global Government “Super Police” toys for the children.

This booklet was not meant to scare you. It was meant to inform.

Wouldn't you be one to understand why the world is currently being put into states of increasing control/imprisonment, war, and chaos? Wouldn't you want the truth to ultimately set you free? And, perhaps, would you wish to be granted the precious gift of an eternal existence? These are the remaining questions this booklet wishes to leave you with...

The following paragraphs contain examples that will display the extent of public mind control. The physical evidence of each event is not detailed in this short book, however there are multiple books currently in publication that detail the facts/truths surrounding each event. This researcher highly recommends you to continue to do further research

into these questions, and each individual event under question. Only when you are presented with the facts, and nearly all the facts, and by your own volition, and you have enough interest into further discovering these things for yourself, might you actually cross the road into believing that this, of course, is obviously the truth of world history so far and how the world is currently being operated .

Most people fall into the trap of mind control over these two major events of history: Apollo 11 of the year 1969, the so-called moon mission, and 9-11 of the year 2001. Likewise most people of the world have been taught to think Neil Armstrong (a high ranking freemason) told the truth when he "said" he travelled to and stepped onto the moon. Well, you might say, 'Oh Pooh!, I have heard that one before!, What difference does it make to me today either way anyhow?'

Well, the general acceptance of the Apollo 11 moon landing **LIE**, later paved the way for the more horrific **LIE** of 9-11, which the world government military carried out; not suicidal hijackers with razor blades and a satellite phone connection to Osama Bin Laden in a cave in a dessert. What the mass-media presented was the premeditated cover-up story that the mind-controllers who run this world wanted you to believe . Do you understand this major point? It is important. Because those are the facts of the matter.

9-11 was an act of **premeditated mass murder** by the existing world government, a world government that has proudly declared themselves the "New World Order". That is the overall real fact of the matter to those-in-the-know and those who care to know the truth of the matter. All roads lead back to Rome, as discovered by uncovering the entire history of the world.

" Naturally the common people don't want war: Neither in Russia, nor in England, nor for that matter in Germany. That is understood. But, after all, IT IS THE LEADERS of the country who determine the policy and it is always a simple matter to drag the people along, whether it is a democracy, or a fascist dictatorship, or a parliament, or a communist dictatorship. Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. All you have to do is TELL THEM THEY ARE BEING ATTACKED, and denounce the peacemakers for lack of patriotism and exposing the country to danger. IT WORKS THE SAME IN ANY COUNTRY. " - Hermann Goering, President of Reichstag, Nazi Party, and Luftwaffe Commander in Chief

Truly, any talk/bickering about any currently installed presidents/candidates or prime ministers, or any congressional decisions, is complete and utter fluff at best; the global political theatre show is an intentional and complete smoke-screen cover for the farce that all governments have been made into in this modern era: each regional government controlled by a coterie of international bankers, all tied into the global monarchy of high ranking freemasons and other secret society members which the elite bankers control in

the same manner - with culpability extending to the lips of every talking head of the establishment's controlled mass media complex, from CNN to the Discovery Channel.

{ By the way, a channel that presented that sham cover up moon landing hoax documentary entitled "Failure Is Not An Option.", that no astronaut of Apollo 11 would allow himself to star in. NASA recently claims to have unrecoverably lost the original moon landing films. That's all they have to say about the 'missing' film reels. HAH! What a joke excuse! }

To help spread this knowledge, there is no existing public access cable, or even satellite, channel for the world. The people really have no voice, at all - unless you decide to start raising your own voice now, person-to-person, alerting them to the slightly hidden existing elite-controlled world government and all their historical tricks and deceptions. Perhaps hand them a printout of this short synopsis for starters. Just telling somebody about this, conversationally, is exceedingly difficult and usually completely ineffective.

The course of history to come is currently unknown, but we can get better informed and each help together to make the best of it; instead of allowing the rest of history to be decided for us by the existing maximally corrupt and occultically controlled established system.

" We're an empire now, and when we act, we create our own reality. And while you're studying that reality -- judiciously, as you will -- we'll act again, creating other new realities, which you can study too, and that's how things will sort out. We're history's actors. . . and you, all of you, will be left to just study what we do. " - A statement of a Bush administration senior advisor, Karl Rove, to some members of the press, in the year 2005.

So, how do the "House of Rothschild" family fit into this global scheme, for instance? Well, through their massive powers of international finance and banking since the early 18th century, this family network primarily controls, from the top of the world's financial pyramid of power: the world's mass media, The United Nations, global Freemasonry and other affiliated secretive societies, the US government, and all establishment academia in general, from University Doctorate programs down to community kindergartens, world-wide.

" **The few** who understand the system , will either be so interested in its profits, or so dependent on its favors that there will be no opposition from that class, while on the other hand, the great body of people, mentally incapable of comprehending the tremendous advantages...will bear its burden without complaint, and perhaps without suspecting that the system is inimical [Injurious] to their best interests. " - Rothschild Brothers of London communiqué to New York June 25, 1863

The Rockefellers share this massive re-educational influence as well. However, the Rockefellers are known to be specifically behind such institutions such as the "School of Americas", a school for the express training of global political terrorists, and private assassination squads. Nice guys, huh? Now you can see why they don't wish to be

widely known, and surely and subsequently voted out of power by the world's populous - along with the replacement of a fair and balanced monetary system.

" We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries. " - David Rockefeller, Baden-Baden, Germany 1991, Master Conspiring Globalist

A more complete list of power elite families: Rothschilds, Rockefellers, DuPonts, Freemans, Reynolds, Kennedys, Krupps, Onassis, Merovingians, Bundys, Warburgs, Russells, Lis, Mellons, Carnegies, Dukes, Astors, Dorrances, Stillmans, Bakers, Paynes, Cullmans, Watsons, Tukes, Kleinwarts, Phippses, Graces, Guggenheims, Oppenheimers, Milners, Drexels, Winthops, Vanderbilts, Whitneys, Harknesses, Bushes...

" We shall have World Government. whether or not we like it. The only Question is whether World Government will be achieved by conquest or consent. " - James Paul Warburg, Foreign agent for the Rothschild dynasty and son of a major player in the Federal Reserve Act scam. / Feb. 17, 1950 speaking before the U.S. Senate.

So, again, you might have already heard the widespread rumor that the "Apollo 11" moon mission was faked (a Disney-like production presented as live reality), which indeed that event in history was, as the evidence that has surfaced clearly shows the crew of Apollo 11, in the 7th month of 1969, only went as far as orbiting around the Earth for 8 days before coming back down. { Factoid: At the time of the launch, the countdown clock was abruptly halted @ T-minus "9" hours, and then an extra "11" hour hold was inserted - holding the whole world in simultaneous suspense of the Atlas rocket launch an extra ELEVEN hours. }

But how else has the established world government lied to humanity over the past century? Let us take a walk together through the past century, noting many of the most influential events of modern world history.

The last official day of World War I was declared by Global Freemasonry, because they left their signature on that event. Their signature throughout the last century of world history is the number "33", which represents not only a triple 11 (3x11), but the highest degree in Global Freemasonry. { They get this from the legend of the ancient "Temple of Solomon" having a staircase of exactly 33 steps. The overall aim of modern freemasonry can be described as building the New World Order, a spiritual 'Temple of Solomon', where non-members are nothing but slaves. }

The official end time for World War I was November 11th, 1918 at 11am. That is numerically written 11/11/1918 @ 11am. Look it up! This is an important fact of

history. The three 11s in the date and time symbolize 3 11's, or the '33' mark of global Freemasonry. And that is just one example of this.

Just like Zorro, the legendary Spanish bandit, proudly left a Z to sign his dastardly deeds, as does the institution of Freemasonry with their triple 11 and 33 signatures in the dates of historically major "New World"-building world events. { Note: By the way, it is highly ironic that "Zorro" has been refilmed and re-leased at this current time by Hollywood. }

Freemasonry primarily uses the following numbers when crafting world history; as a communication method amongst the Dark Brotherhood and also as a method of proudly signing their deeds. The base occult world government numbers are: 3, 7, 11, 13 and doubles and triples of each: 6, 14, 22, 26, yet predominately the 9, 21, 33, 39. Other important numbers to 33 degree Freemasons are 19, 47, 93, and multiples of 111.

Far out? Too weird? Unbelievable? True? Yes. Yes. Yes. And Yes! Many defecting 33 degree masons have already confessed that this group's 'number fetish' is indeed true.

And these are the numbers which hold much less significance to Luciferian freemasons and are dramatically left out of New World Order date signatures: 2, 4, 5, 8, 10, 12, 15, 16, 17, 20, 24, 25, 26, 29, 30, 31, 32, 34, 35, 38, 40, 41, 43, 44, 45, 46, 48, 50, 51, 52, 53, 54, 56, 57, 58, 59, 60, 61, 62, 64, 65, 67, 68, 69, 70, 71, 72, 74, 75, 76, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 89, 90, 91, 92. The freemasonic numeric set is a much smaller set than all possible numbers between 1-100, just about 15% of all, and the other 85% are dramatically unused. That is the major distinction to keep in mind as we review the following historical events.

Keep in mind that the following historical dates and times are not all a string of coincidences! Just forget the word 'coincidence' here, because PRACTICALLY NOTHING HAPPENS BY MERE COINCIDENCE in this world system of control.

Now, if that made your eyes cross a bit in disbelief, just wait to you hear this one in full, and it might be hard not to crack up, but 33rd degree Freemasons are expected, by their superiors, to believe in a 3-headed spider-legged-god/idol named Jahbulon. [Jah Bool Ahn]. It is probably what keeps many 32nd degrees from wishing to be initiated into the 33rd degree level, the "Jahbulon" thing. They have pictures of this three headed spider god embossed into the walls of some of their grand lodges. Either Lucifer and Jahbulon are the same to them, or Lucifer is above Jahbulon. More research should perhaps be done into that, for the record. Go ahead and laugh a bit, if it is funny to you. Laughter can ease the stress of experiencing and learning something new. It is recommended to

view Juri Lina's excellent 2003 documentary about Freemasonry entitled "The Lightbringers: The Emmissaries of Jahbulon". As with all the facts presented in this report, Just Look It Up! - if you don't believe it!

A member of the United Nations' staff, David Spangler stated in 1999: " **No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation.** "; stated while serving as director of The Planetary Initiative of the United Nations. This is a factual and true quotation. Basically they will like you more if you worship the same false god that the ruling elite have chosen to believe in.

For most Americans, maybe this example will drive this point home. The largest fear generating event of world history occurred under US President JFK, in 1962. The event was known as the "13 days of October". From October 14th to October 27th, the world was held in a state of fear over a possible global thermonuclear war between the USSR and the US. Look at the numbers in the dates, a double 7 (14) and 3x3x3 (27). So, amidst this contrived event in history, precisely on the double 11 (22) date, 10/'22'/1962, the dark brotherhood/world government pushed John F. Kennedy to the podium to deliver his speech to the Russian Premier, Nikita Kruschev; the time for his speech the feisty young president did not set by himself. (this will become more obvious to you perhaps as you discover more.)

The entire world watched the news announcements and his speech in a mind-controlled and terrified state. How many underground bomb shelters were built by Americans after that event/scare? Many.

" The high office of the President has been used to foment a plot to destroy the American's freedom and before I leave office, I must inform the citizen of this plight. " - President John Fitzgerald Kennedy @ Columbia University on Nov. 12, 1963, ten days before his freemasonic assassination.

Then exactly/precisely 13 months from 10/22/62, on 11/22/63, they assassinated the young, mind-controlled, American president. The 11 and 22 in his assassination date clearly displays the slightly hidden **33** mark of Freemasonry; the sum of 11 and 22 is 33.

His assassination also was set on the 33rd parallel, in Dallas Texas, in the masonically designed "Dealy Plaza" - also the meridian as Hiroshima Japan sits on; so every initiated 33rd degree Freemason in the existing world government knew it was a world government inside job assassination, by the time and place it occurred. { Note: On August "6th", 1945. United States B-29 bomber Enola Gay, on Mission No. "13", dropped an atomic bomb called "Little Boy" on Hiroshima, Japan - right next to the " 33rd" degree latitude/meridian line on the globe. It was also 33 days after 169th 13 x 13 anniversary of the signing of the Declaration of Independence in 1776. On August "9th", Nagasaki was flattened by another nuclear bomb. Both were dropped on illuminati numbered signature

dates. Also, Princess Diana's & Dode Fhad's assassination was intentionally scored with multiple 13s. The date 8/31 sums to the triple 13, 39. Her car was swerved into the 13th column under the bridge in France. Also, three Roman Catholic Popes ago in 1978, the first "John Paul"-I Pope was assassinated on his "33rd" day of being the new Pope. Just look that up and count the number of days between his coronation day as pope and the date he was assassinated. That's a fact. Also fact is this quotation by his successor: " By the end of this decade we will live under the first One World Government that has ever existed in the society of nations ... a government with absolute authority to decide the basic issues of human survival. One world government is inevitable. " - **Pope John Paul II** in the book "The Keys of This Blood"; so there were no exaggerations stated earlier in this report. }

The next biggest political event the whole world took notice of was the collapsing of the wall set up between East and West Germany. On "11/9"/1989 the "Berlin Wall" was opened and passage was allowed for the first time after 6:30pm that evening. This was big political "news" in the world. 11-9 carries the reverse freemasonic coding of 9-11.

The 9-11-2001 event also carries the multiple 11 marks. Firstly, Freemason architects told a clueless Asian building architect in New York, in the late 1960s, to simply design and build two tall towers on Rockefeller owned land on the shoreline. What that guy, and most everyone else hasn't yet understood, is that the World Trade Center towers were designed to create a giant freemasonic "11" mark right next to the Statue of Liberty in NYC harbor. (Many people already know the Statue of Liberty was designed by French freemason architects.) The towers were also designed to be 11x10 or 110 stories tall. Building 7, which was 47 stories tall, was demolished right after the two towers were blown to bits; explosives causing a controlled demolition, at the speed of gravity - as if all the steel in the building was simultaneously shattered at the time each building collapsed onto itself. { A bowling ball thrown off the top of the towers would have taken the same time to fall that each building took to fall on top of itself. Just try crushing a soda can at the speed of gravity with your hand pressed down. It is physically impossible! The can offers a lot of resistance - more than air! Red hot metal provides a lot more resistance than air too! However, a tiny percent of all the metal in the WTC was only warmed at best, not hot. Clearly demolition bombs shattered each supporting beam in the two towers and building 7, in a controlled-demolition sequence. Also note the number of stories in each building is significant to the Luciferian cult. The United Nations building, also in New York City, is "39" (triple 13) stories tall. }

More 11s were intentionally added to the 9-11-2001 event. The first plane to strike the towers, was, not coincidentally, Flight Number **11**. Bingo! The one that allegedly hit the pentagon was 77, or **7** multiples of **11**. Flight 175 becomes the **13** when you add 1 + 7 + 5. 93 is the visual inverse of 39, a triple 13. The random chance that [just] all these flight numbers fit perfectly into occult freemasonic numerical coding is much less than 1 in 50 million odds, like a state-wide lottery. These numbers are the numerical signatures of Freemasonry, the slightly hidden global government. This is how ruling freemasons declare their inside jobs to each other, using slightly hidden, yet specific and identifiable, numerical signatures, in alignment with their master religion, Luciferianism. Yikes!

On 9-11, Flight 11 hit a little earlier than was planned for, by about three minutes, at 8:46am. It appears the actual time on the script was for an 8:49 impact, which would have been 11 minutes to 9. Later, in London on 7/7/2005, the first passenger bus was blown up exactly @ 11 minutes to 9am, or 8:49am in London. Most every Londoner can clearly remember this precise time of that event, and verify that fact for you. { Note: On June "11th", 2002 it was reported to the British people that England's Big Ben was another 'al-caida' terror target. (Not really!) }

While the people of the USA recoiled in shock, Illuminati puppet Bush #2 calls for " 11" days of national mourning and the flag is flown half-staff until September "22nd"; the day we become aware of the " Patriot Act " that starts the overt shredding of the Constitution and Bill of Rights.

On 12-"13"-2001, precisely "93" days after 9-11 , a Bin-Laden tape about 9-11 is released by the government. Once again, exactly "93" days after 9-11-01, the US government released a video tape of Bin-Laden joking and admitting to the attacks of September 11th!

Exactly "7" months after 9-11-2001, on April "11th", 2002, the ICC or International Criminal Court is ratified at a Landmark UN Treaty Event. Ten countries ratified the ICC Treaty (Important note: Revelation 17:12 states there will be 10 horns on the beast that makes war with the Lamb). The ICC is decided to be located in the Hague, the Netherlands. At this facility, they have put a huge black spider statue overhanging the entrance, appearing as if it is knitting a web over the whole world.

Even NY Mayor Rudy Giuliani was knighted into the freemasonic order by the Queen of England on Feb "13"th, 2002 for his role in 9-11.

On the first anniversary of 9-11-2001, the controllers rig the NYC city lottery balls to come up as 911. They also closed the Chicago Stock Exchange S&P 500 index to be "911.00" on that day, another set of extreme impossibilities. { Additional note: Also this was the day, 9-11-2002, that The World Summit on Sustainable Development came to a close, by freemasonic design, as well, of course. }

It was on the " 13th" day of the "11th" month of November when the U.S. House of Representatives overwhelmingly approved the bill to establish the **Department of Homeland (In)security** !!!!! -> 11/13/2002! { Note: Also on 11/13/2002 a Pakistani "9/11 planner" (A PATSY!) was arrested. (A pure propaganda/'news' stunt!) }

Next, on 1/11/2002 ("111") Guantanamo bay Cuba (Camp X-ray) opens and incarcerates more Islamic patsies/farmers/ranchers and puts orange jumpsuits on them and black bags over there heads. The American people do literally, nothing.

On July "13th", 2002 (a number 7 and 13 combo) German National Press Reports: Bin Laden alive and Kashmir Militants kill "27" (3x3x3). It is also reported by the head of BND foreign "intelligence" that Bin Laden is "alive" between Pakistan and Afghanistan.

All the dates of major global terrorism carry the 3, 7, 11, 13 and 111

marks: 9-11-2001 - followed up by the NYC harbor light display on the 6 month anniversary held on 3/11/2002 - which was designed by freemason architects to be 88 (8 11s) lights making the tallest "11" ever, for 33 nights, from March 11th to April 13th, 2002(!) The people running the light show were instructed to turn the lights off each night at exactly 11pm. These are the facts of the matter. The world mourned, while the world government celebrated the world government USA-massacre with a Luciferian light display ritual.

The first Bali Indonesian terror bombing occurred exactly 1 year, 1 month, and 1 day after 9-11, on October 12th, 2002 - yet 11 days short of the 3rd year anniversary of that bombing, they did it to Bali again, on October 1st, 2005. 11 days short of 3 years between the dates of the two similar Bali bombing events represents the 3 and 11 numerical components to make a slightly hidden, or occult, 33 mark. They did it!

On 11/8/2002 (11+8=" 19 ") the global mass media announces "Bin Laden is alive!", stated by spy agency Interpol Secretary General Ronald Noble.

In Nigeria, on "11"/"22"/2002 (33! - The same day of the year as the JFK assassination.), more than 100 people are killed at an attack aimed at the contestants of the Miss World contest.

On 2/"7"/2003 (2+7=9) a blast in a Bogota Columbia nightclub kills " 33" set off from "3rd" floor parking lot. Next, Osama Bin Laden's image is used again on 2/"11"/2003 (2+11=' 13 ' - an especially key date). That CIA produced video surfaces and Osama announces a "Muslim call to arms".

One event that proves powerful people believe are fond of the power of numbers happened slightly earlier in March of 2003. It was no big secret on March " 3rd", 2003 when the UN affiliated 'World Prayer Center' called all Christians worldwide to a

Worldwide Day of Prayer to occur simultaneously at "3 ":"33"pm! Folks, again the people behind this event were not 'believers'. They believe in the false-'God', Lucifer. The magnitude of this date was not lost on the non-Christian world as well. The 'Global Consciousness Movement' (New Age) has for years been planning a worldwide "Largest ever experiment into global consciousness" to take place on 3-3-03. { Note: Their effort was slated to begin at 3:33am (Fiji local time), on the 3rd day of the 3rd month of the 3rd year of the 3rd millennium. It gained widespread notoriety in New Age circles. They continued: "The significance of 3-3-03 becomes even more pressing as America could launch a war with Iraq at about that very hour." March "3rd", 2003 was also the night of the new moon; important to the occultists supporting the world government takeover movement. }

On "3"/"11"/03 ("33!"), in Yemen, the "USS Cole" bomb suspects were paid off and freed.

On March "19th", 2003 Bush II holds another presidential address and Iraq is re-bombed that evening. So in effect, Bush Jr. announced the start of the war on the "3rd" weekday of the "3rd" week of the "3rd" month of the "3rd" year of the new millennium, 200"3". The first major bombing campaign of the war ended on 5/1/2003 (May 1st, the birthday of the Order of the Illuminati); lasting 42 days (1 month, " 11" days). His plane landed on a carrier in the gulf at 3:33pm that day. {Additional note: This coincides with the **Beltaine Festival**, "Walpurgis Night" - celebrated April 30th and May 1st. May 1st is also the " 13th" day of the annual " **Blood Sacrifice to the Beast** ". Put another way, George W. Bush started the horrifying war in Iraq on the witches. Sabat of Ostera and declared an end of major hostilities on the next witches high Sabat of Beltaine(!) Bush Jr. is at least an accomplice of the anti-christ. }

On "7"/"18"(6+6+6)/2003 the body of Dr. David Kelly's, a scientist at the England's Ministry of Defense, is found a few miles from his home; leading to the "Hutton inquiry". It was reported that his watch had been stopped at "11 minutes after 9am". Dr. Kelly was then currently testifying to the truth that Iraq posed no significant bio-weapon threat and there was no sign(s) of them producing "weapons of mass destruction"(!)

Saddam Hussein's sons were {allegedly} murdered by American forces on "7"- "22"-2003. On October "11th", 2003, in Finland, a bomb blast kills "7" (fear and more police state for Scandanavia) - coded with freemasonic world government number 7 and 11 signatures.

It was also "93" days after the second anniversary of 9-11 when Saddam Hussein was [theatrically] captured on 12/"13"/03. (Remember Saddaam Hussein is also a freemason.)

Next, on February "6th", 2004, In Moscow, a Metro commuter rail blast kills "39" (13x3). The explosion ripped apart a train car during morning rush hour. Putin condemns 'Chechen attack' yet it was his own FSB who were involved in the inside-job bombing. { Note: February "13th", 2004, in Qatar, a freemason-lit-bomb murders the exiled Chechen leader. }

The Madrid, Spain, commuter train bombings were scripted to occur on 3/11/2004. The 33 mark is highly obvious on the Madrid bombing date. It is rather overt. Also, the freemasonic world government controllers subsequently set the death count in Madrid terror event to officially be 191, which like 9-11, also sums to an 11, 1+9+1 is 11.

11 is clearly/obviously the core communication number of the global "New World Order" government plot. The "New World Order" phrase has been used for so long already, even Adolph Hitler often spoke of it.

Notably 3/11/2004 was also the 19th year anniversary of when the Freemasonic world government (the New World Order) placed Mikhail Gorbachev into power in the USSR on 3/11/1985. Similarly, on the same anniversary date of Mikhail Gorbachev as the Soviet Premier, Janet Reno was crowned Attorney General in the US on 3/11/1993, 39 days before the horrific event she oversaw in WACO Texas on 4/19/1993! {Note: Previously on "11"/"3"/1992 ("33"!)) Bill Clinton was implanted by the illuminati as the next US president. " In the next century, nations as we know it will be obsolete; all states will recognize a single, global authority. National sovereignty wasn't such a great idea after all. " - Strobe Talbot, Bill Clinton's Deputy Secretary of State, Time Magazine, July 20th, 1992. As should also be noted, the future commander in chief of the world's largest military, "George W. Bush" who basically quit the Texas Air National Guard with two years left in his contract by often not showing up (AWOL) to many of his duties, received a full honorable discharge on November "21st", 1974. (an illuminati gift to his CIA-chief daddy little doubt.) }

Two years after WACO atrocity, the corrupt world government blew up the Oklahoma City Building, on April 19th, 1995 with bombs on the inside and outside. On June 2nd, 1997 a jury convicted patsy Timothy McVeigh on " 11" felony counts. On June "13th", 1997 the jury condemns McVeigh to die by lethal injection. December "11 th", 2000 McVeigh asked US District court Judge Richard Matsh to stop his appeals process and schedule his execution to take place before the summer's end (in apparent hurry to die!). January "11 th", 2000 McVeigh lets pass the deadline for changing his decision. May "11 th" Attorney General John Ashcroft delays McVeigh's execution until June "11th", 2001. McVeigh is supposedly executed on June "11th", 2001 at "7" a.m. By the freemasonic numerics used throughout, this is now known to obviously have been an illuminati mass mind control operation from the very beginning to the theatrical finale.

April "9th" (4+9 is "13"), 2004 - U.S. forces seize control of Baghdad, apparently ending the former illuminati, Donald Rumsfeld led, implanted regime of Saddam Hussein. See, later they betray their own.

"93" days past the Madrid attack of 3-11-04 was Saturday June 5th, 2004 (and if you add up the days from 9-11-01 to 6-5-04, you get 999! The upside down number of the beast!).

Amazingly, this was the day when Ronald Reagan passed away at the age of "93"! Ronald Reagan was (coincidentally) born in 19"11". It gets this weird! And then the illuminati drones buried him 8 days later on June "13th", 2004!

June 30th, 2004 was declared Iraq's "Independence Day" which happened to be " 111 " days after the Madrid train bombing on "3"/"11"/04 (and notably the 1023rd day after 9-11, which is remarkably ' 93' times ' 11' !?) The Bush administration continuously and rather publicly made the point of setting this date for many months in advance. (!)

On 8/" 3"/04 (8+3="11") - US Army General Tommy Franks appears on FOX TV's "Hannity & Colmes" and admits to the world that he foresaw the trade towers collapsing a week before it happened. This video clip is on <http://www.freepressinternational.com> Of course he knew something was going to happen! The war general was not being clairvoyant or didn't have a 'divine' revelation. He just had to look at the illuminati devil worshipping calendar. In Washington Tom Ridge defended a new elevated terror warning.

"9"/"3"/2004 (The "93"! signature, like Flight 93!) - **350 (mostly children!) murdered** after Russian troops storm a school with 1,200 hostages inside. Hundreds more were injured. Russian soldiers began exploding and then deactivating remaining explosives. (Note: Look at the date! 9 & 3 - a big illuminati date! A total fear inducing freemasonic world government inside job! BASTARD child murderers!!!)

On "11/1"/2004, In Iraq, "6" citizens were kidnapped in Baghdad. In Tel Aviv "3" dead in suicide bombing. In Iraq two Iraqi officials are assassinated. Also on "11/1"/2004 "Bin Laden" states his goal is to bankrupt U.S. through a videotape in which **illuminati terror puppet/propaganda shoehorn Osama Bin Laden** said his goal is to 'bankrupt' the US. Well, if OBL was really saying these things, he's pretty ignorant for not realizing the illuminati of the London masonic banking network have already bankrupted the US!

{ Note: The bankruptcy of the USA is officially on record in the United States Congressional Record of March 17th, 1993 (3+1+7=" 11 ") (Vol. " 33", page H-"13""03 ") Jim Traficant stated at the podium in Congress:

" It is an established fact that the United States Federal Government has been dissolved by the Emergency Banking Act, March "9th", 19"33 ", 48 Stat. 1, Public Law 89-" 7""19"; declared by President Roosevelt, being bankrupt and insolvent. H.J.R. "19"2, 73rd Congressional session June 5th (6+5="11"), 19"33" - Joint Resolution To Suspend The Gold Standard and Abrogate The Gold Clause * dissolved the Sovereign Authority of the United States* and the official capacities of all United States Governmental Offices, Officers, and Departments is evidence that the United States Federal Government exists in ***name only*** . The receivers of the United States Bankruptcy are the International Bankers, via the **United Nations, the World Bank and the International Monetary Fund** . All United States Offices, Officials, and departments are now operating within a de facto status

in name only under **Emergency War Powers**. With the Constitutional form of government for the United States now dissolved, the receivers of the bankruptcy have adopted a new form of government for the United States. This new form of government is known as a Democracy , being an established Socialist/Communist order under a new governor for America. This act was instituted and established by transferring and/or placing the Office of the Secretary of Treasury to that of the Governor of the International Monetary Fund (**IMF**). Public Law 94-564, page 8, Section H.R. " 13 ""9""55" reads in part: " The US Secretary of Treasury receives no compensation for representing the United States..... " The United States has been run as a ***corporation*** and its judiciary operates under **Emergency International Maritime Law**."

Nothing really new here of course as America was set up as a corporation immediately after the American War of Independence. The colonists were run by the Virginia Company when the Colonies reverted from an overt dictatorship from the British Crown to a covert dictatorship of the interests of international bankers, most of whom are from Britain as stated above. They only cut themselves away from America then to only to secretly place themselves back in again later while America was truly sleeping. So, on secret documents stuffed somewhere, America has been officially **bankrupt** since 19"33"! }

On "11"/"3"/2004 (Another occult "33" number combo) in Iraq 3 Iraqi guards were 'beheaded'. al-Jazeera said it had a video of some militant group calling itself the 'Brigades of Iraq's Honorable People'.

On "11"/"9"/2004 (like "9"- "11" backwards, same difference) U.S. forces enter Falluja's center.

On "11"/"11"/2004 at least "19" die in Baghdad car bombing. (Perhaps 1 too many eventually perished, so the press headline reads "at least 19".) An attack which targeted a vehicle carrying Americans also left heavily damaged storefronts in a busy commercial district.

On "11"/"22"/2004 - A car bomb kills "6" near Ramadi, yet another "33" JFK assassination-date-style inside job world-government-promoted-bombing.

December "13th", 2004 - In Chile a masonic judge charges the Pinochet. {Note: Remember, they put this guy in power after the September 11th, 1973 military coup that murdered Allende. Later, they turn on their own replacement stooge. }

On 1/"13"/2005 photos of Prince Harry dressed as a Nazi at a costume party causes a worldwide condemnation (but it is only little prince harry! its ok!)

On "3/11"/ 2005 ("33!") in the UK, the controversial "Prevention of Terrorism Act 2005" was finally given Royal Assent after one of the longest ever sittings by the House of Lords.

June "13th" (6+13 = "19"), 2005 - Billionaire singer Michael Jackson, {and quite possibly some sort/degree of mason, as of yet unconfirmed; ["Kramer" of Seinfeld is also a high ranking mason]} is acquitted on all 10 charges of child molestation, conspiracy of child abduction, and administering alcohol to minors in aid of child molestation.

Going forward in time, the terror events on "7"/"7"/2005 unfolded in the London City transit system, and another similar London bus/train system scare in London on 7/21, the triple 7 date (3x7=21). { Note: Popular occult icon Aleister Crowley, an occultist and freemason wrote a book entitled "777" about occult numerology and gematria practices. 7/7/2005(7) resembles that particular book title. }

The next major world government engineered terror event was coded to occur on July 22nd, 2005. That event occurred in Cairo Egypt. A night club blew up. 88 people were declared dead, another oddly occurring multiple of 11, as also used in the WTC light show that used 88 lights. The London Bankers, though, arrogantly declared this event in advance by sending a timing signal though the Big Ben clock on May 27th (a 3x3x3 date), 2005. Look it up in the UK press archives! The Big Ben clock minute hand was slowed down from 22:07 to 22:20, taking 90 minutes to cross the 13 minute interval. On July 22nd, 2005 at 22:07 GMT time, the bomb was detonated in the Cairo nightclub, the act of terrorism was quite evidently engineered and carried out by black operations of the freemasonic world-government order.

By noting this illuminati-style signal at the time of its publication, Michael Haupt of <http://www.threeworldwars.com> had predicted the timing of the next terror event precisely, months ahead of the terror event actually occurring. Those on the inside of the world government knew immediately, and also beforehand through this overt and advanced signal, that it was another inside-job to be covered up and blamed propagandistically on the Arab people again. { Note: Most people didn't care at all, including Alex Jones, the self-proclaimed "father of the 9-11 truth movement" of Austin Texas. }

All the past major global terrorism of world history has been scored with the freemasonic society's highly regarded 7, 11, 13, and 33 marks, and likely/surely all the future world government sponsored terror as well. The next major event will likely bear these numerical marks in the date and time of the event and also probably the location of the event on the globe, so there should be no clueless doubting of "Who did it?!". Look for the preponderance of "11"s, usually at least 3. (Not "10"s!, Not "4"s!, Not "16"s!, etc.)

Isn't this overt nature of the criminal world government pretty darn interesting to discover? Would Sherlock Holmes ignore this long trail of evident clues? Would he at

least tell his associate partner, Watson?

Without having to explain the mathematical improbabilities computing it "extraordinarily impossible" that such a long string of "coincidences" can occur continuously over 100+ years of world history, here the reader is simply given a sufficient and guided tour of the events, dates, and times. The reader is clearly urged to make up their own mind during this presentation of these events as they happened and when they happened; provided here with a "mountain-top" view of all these events of our history.

These events and times are all completely factual in the sense that everyone can agree upon them and then all together clearly see the evident numerological pattern that has been applied.

The People should somehow ban such activities and keep a closer eye on the wealthy elite than they currently have on all of us. Notice that the Bilderberg Banking Group has core of 39 members who are broken into 3 groups of 13 members. The core of 39 answers to the 13 who make up the Policy Committee. The 13 members of the Policy Committee answer to a Round Table of 9.

Are you able to make a big decision about this information based on all the evidence that has so far surfaced? There is just too much evidence to discuss in a short booklet such as this. For more evidence, Alex Jones' documentaries presented at infowars.com and prisonplanet.com fill in the rest of the major details around 9-11 and again reinforce who is really behind all the new terrorism in the world, the existing world-government/organized-and-controlled-global-mafia. { If you don't care about your world environment, why would you think anyone else would instead? You are just like the rest of everyone. Please care. It is the right thing to do. }

That is the thing to do (!!!) - [help in honoring and sharing truth.](#)

Also in fact, if you take the time to review/study the progression of "Bird/Avian Flu" events in recent history, all the major events happened on 11 and 111 scored dates; another thread of total mathematical improbability. For instance, the UN/WHO ("World Health Organization") met to discuss the coming 'inevitable' global influenza pandemic on 11/11/2004 [also notably the day the Palestinian president Yasswer Arafat was diagnosed dead at 3:30pm, for the 33 mark of a world government assassination. Yes, another political assassination clearly signed with the "33" number by the world government!]. The next major Bird Flu propaganda date occurred 3 months and 11 days

later after 11/11/2004 (another slightly hidden 33 signature!) on 2/22/2005.

The US government CDC (Center for Disease Control; also controlled by Illuminazi party) announced the then-new Bird Flu problem to Americans on February 22nd, 2005. The next major bird flu event was Bush Jr., { a part-time apron wearing 33rd degree freemason like Tony Blair, and Vladimir Putin, Ariel Sharon, etc,} signed the 7+ billion dollar Bird Flu Emergency Quarantine Bill on 11/1/2005, for the 111 signature. 21 days later on “11/22”/2005 the UN/WHO met again to discuss a new global system to monitor the coming and “inevitable” superbug outbreak. This has already happened. It is true. And 11/22 readily sums to 33, just like JFK's assassination date. The absolute conclusion to be made is the coming inside-job influenza pandemic has already been premeditated over the past two years by the currently existing freemasonic world government!

Also, Project “BioShield” (H.R. "21""22") (like the “Patriot Act”, a farce name), was all delivered by Congress and signed in the Rose Garden by the US Puppentdent on all freemasonic dates; prior to any further premeditated and subsequent biological attacks on the populations of the USA and world.

What is now underway, is that the world government is preparing to unleash a deadly disease upon humanity, in a world government plan to murder the populations down to under 1 billion worldwide, a controlled depopulation tactic, principally for the purpose that a smaller population is easier for the emerging corrupt world government to further enslave/control.

The dark brotherhood have literally, and overtly, stated their New World depopulation goals on the “Georgia Guidestones”. Type those keywords into google.com and take a look at the photos! Some anonymous Skull & Bones fraternity member put the granite stones there, likely at his cost. So, how is it evident that a anonymous Bonesman was responsible for putting 50-ton black marble sign there? Just look at the date it was dedicated, 3/22/1980. “322” is the chapter number of the Yale Skull & Bones secret fraternity and globalized society { which David Rockefeller is a member as well; and often serving in a role of headmaster of the Yale spawned establishment fraternity. }

That is how the New World Order signs their deeds, with specific numbers. The hords of other examples are way too numerous to be catalogued in this short booklet, but all you have to do is read “the news” each new day to see fresh new freemasonic numerical codings on notable global events. { 11 is the most popular death count used in the press. Remember the first act of terror, at Munich? “11” Israeli athletes were sacrificed to make the Palestinian people look bad, all the mind-controlled terror boogymen were murdered so they could not go to trial and speak of how they were set up, just like the 19 'hijacker'

patsies on 9-11. Do you think Mr. Spielberg heard that was an inside job. Of course! }

The Munich games ended on "September 11th", 1972 - by no coincidence and by design. "9-11"s are their biggest dates for inside-job events. Some Israeli journalists are already aware of this terror phenomenon; street bombings have occurred on September 11ths in Israel more often than other days. One reporter was filmed in the Gaza strip running down the street after a September 11th bombing there, quoting history in Israel, "September 11th, this. September 11th of another year that. etc. etc."

REVELATION 9:11 : " And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon. " (KJV)

Here are some Israeli freemasonic bombing dates (there are many more, ongoing too):

August "3rd", 2002 - In Israel "9" killed in bus blast. The blast, which ripped off the roof and sides of the bus happened during rush hour.

11/"19"/2002 - In Tel Aviv at least 5 dead in bus attack.

11/"21"/2002 - In Jerusalem a bus blast kills "11".

5/"19"/2003 - Israel Suicide bombing kills "3" in shopping mall.

8/"19"/2003 - In Israel a powerful bus bomb killed "21"(7x3). The bomb exploded in the ultra-Orthodox (non-Zionist) Jewish neighborhood. The explosion also damaged a second bus.

9/"9"/2003 - In Indonesia Bali commander sentenced to death. Also bombers kill " 13" at a bus stop east of Tel Aviv.

1/"13"/2005 - "6" Israelis have died in a Palestinian attack at a crossing point between Israel and the Strip. Iraq car bomb outside mosque kills " 7" in Iraq. Aide to Shia leader killed. A representative of Ayatollah Ali Sistani has been assassinated along with 4 bodyguards and his son.

See - The people of Israel are just as duped as the establishment "Christians" in the USA.

Also notable was the horrible military coup of Salvador Allende headed by freemasons in Chile on 9-11-73.

And also the former USSR premier Nikita Krushchev was timed to go on September 11th, 1971 - in his bed/home! The Illuminati seem to enjoy murdering their own puppets/ presidents; as both Kennedy and Kruschev were clearly murdered by the set of

establishment controllers, atop the establishment pyramid of manipulation . { Note: On February " 9th" (also $2+9=11$), 1984 Yur Andropov, the Soviet General Secretary, died under suspicious circumstances. Another assassination covered up! }

Get this one too... The groundbreaking ceremony of the Pentagon (really a slightly hidden Pentagram) was held on the Pentagon lawn on September 11th, 1941!!! David Rockefeller was there with shovel in hand on that day. Please take note here that 9-11-2001 in NYC was the 60th year anniversary celebration for the Pentagon! The first Bush president delivered a speech mentioning the "New World Order coming into view" in the House of Representatives on September 11th, 1990, timed to be exactly 11 years before the fateful date in New York City for so many all around the world.

The first Bush president stated on 9-11-1990: " What is at stake is more than one country [meaning the United States of America!], it is a New World Order, where diverse nations are brought together in common cause to reach the aspirations of mankind... "

See, the freemasonic world government is in the habit of celebrating anniversaries of their monopoly over the US government and the world. They most often celebrate the 11th year anniversaries of events, notably speeches.

The first Bush president also delivered a second "New World Order" speech, but this time in front of the UN, on 2/1/1992.

He wormly stated: " It is the sacred principles enshrined in the United Nations charter to which the American people will henceforth pledge their allegiance. " - addressing the General Assembly of the United Nations.

Then, to celebrate the 11th year anniversary of that speech, the world controllers put 1 astronaut from each of the 7 continents aboard the Columbia mission STS 107, and intentionally burned it up right over the 33rd parallel meridian, on 2/1/2003, February 1st, 2003! Think about that one for a minute. Everyone outside the loop, including the families of the astronaut victims, just thought that Space Shuttle Columbia crash was just an accident. Not! It was a sacrifice mission to Lucifer because it was an anniversary date of the existing global government, specifically an 11th anniversary of a speech the current president's father delivered at the podium of the United Nations.

{ Note: Going farther into events concerning the Space Shuttle we learn that the runway the space shuttle departs from in Cape Canaveral Florida is runway # "33". And the launchpad is number "39". There are two launchpads, 39a and 39b. ($39=3 \times 13$). From delivering the Statue of Liberty in the 18th century, to the Space Shuttle, Freemasonry has been lurking behind it all. }

Undoubtably for those who care about truth in matters, the emerging freemasonic government are signing their inside-job events. They are admitting, amongst themselves, and anyone who cares to look, their greatest crimes in this manner.

(“**ADMITTING**“, rather arrogantly, their secretive world government society caused these horrors.)

There are hundreds of other examples of how history has been completely masterminded by freemasonic world government architects hosted on a website by a UK researcher, Michael Haupt, of <http://www.threeworldwars.com> . Will you check more out before you or one of your family members gets harassed by a corrupt UN world government 'Peacekeeper' or UN Police thug, or gets murdered in the coming 'inevitable' pandemic, or gets mass-drafted into this currently developing Third World War. Just imagine China stirred-up to feel intent on reclaiming the US debt it holds after a national bankruptcy/crash, many trillions already today in debt, by aiding, with a huge mercenary army, a complete physical UN takeover of the USA during a period of terror, chaos, and premeditated national distress. What would happen in your community if that would occur? A myriad of unimaginable horrors. (Grandmothers getting executed on their doorsteps.) It is certainly within the realm of possibility of how this current world system is being operated.

It couldn't ever happen in America! - a simple-patriot-minded citizen might toot. The truth of the matter is that most of this ongoing global plot has already occurred within and onto the [Discombobulated] States of America.

In short, the American Government has been quietly replaced over many decades by a crew of dark Luciferian occultic powers controlling whole masses of clueless people who are stumbling blindly behind a faulty leadership (of either the 2 primary parties) into a predictable morass of serfdom and slavery greater than the days of the Babylonian empire or that of ancient Rome.

" The Technetronic era involves the gradual appearance of a more CONTROLLED society. Such a society would be dominated by an ELITE, unrestrained by traditional values. " - Zbigniew Brzezinski, Advisor to 5 U.S. Presidents and Executive Director the Trilateral Commission. Quoted from the book "Between two Ages".

" Some call you 'the elite'. I just like to call you my bankers. { Laughing if off ! }" - George W. Bush, quoted from the film Fahrenheit 9-11 { note: Michael Moore only delivers half the ugly truth, by mind-control design, in that film released to the public. }

If this isn't enough to beg your further interest, pull one out and look now at the back of the ordinary dollar note. What do you see? A pyramid symbol, with 33 steps leading up

along its sides, placed there under FDR, a 32nd degree Freemason president, in 19“33”! Around that you see an announcement of the New World Order/Novus Ordo Seclorum! 13 stacks of bricks! 33 feathers on one eagle's wing! and 32 on the other! The " 9" tail feathers indicate the 9 additional degrees of the York Rite of Freemasonry. 13 stars that make a Star of David above the Eagle! 13 arrows in one eagle claw!, and 13 laurel leaves!, and 13 berries! in the other claw. On the other side, if you know where to find it, you will find the tiny owl image representing the “Molloch” (mentioned in the book of Leviticus) stone statue that the western elite idol-worships at a place in northern California known as Bohemian Grove each July [mid-summer]. Now, is the slightly bigger picture starting to come into view yet? If you would have become president of the USA, you would have already visited, in secret, “The Grove”. { Note: The Bible states the “heathens gather in groves”. The Bible, as usual, is correct. The Father’s children can and eventually will overcome: " But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire. " (Deuteronomy 7:5) }

You can find actual photos and videos of these strange things around. Isn't this all enough evidence already, as presented in this very short book, that a slightly hidden at best, globally managed freemasonically inspired conspiracy for a world government exists? There is over 100 pages more of the freemasonic masterminding of our world history available on Michael's site for free download, entitled "The Freemasonic Architecture of History: Proof of a Global Occult Conspiracy for a World Government." If you are one to say "I believe none of this.", just who do you think is behind the new UN Police cars?

About another root of the global mega-problem:

The world government is already printing and controlling the supply of all the world's credit and paper money. The entire monetary system of the world is crafted into a debt-based system of profit and control. The existing establishment monetary system generates new cash out of thin-air and then lends it to your government, which is modeled as a corporation, with interest/profit already built in, for the class of international financiers. In essence, they have created their own money supply/tree.

The cult owns and operates the Federal Reserve Bank, and prints papers they call "dollars" (which they are not), all as credit, as each bill originates as a loan to the United States, with all the billions in interest skimmed off going to the Rockefellers, Rothschilds, the other private Federal Reserve investors, and the like. The Federal Reserve Bank has been a giant fraud on the US, and all the people of the world, since December 23rd, 1913. That's a fact.

" A great industrial nation is controlled by its system of credit. Our system of credit is concentrated. The growth of the nation and all of our activities are in the hands of a FEW men. We have come to be one of the worst ruled, one of the most completely CONTROLLED and dominated governments in the world no longer a government of free opinion, no longer a government by conviction and vote of the majority, but a government by the opinion and duress of SMALL groups of dominant men. " - Woodrow Wilson, "Campaign Speeches", 1912 (stated 1 year previous to the quotation below.) This is what he thought; although he was controlled by the people he describes.

" I have unwittingly ruined my country. " - Woodrow Wilson, unwittingly said soon after signing the deceptive Federal Reserve Act into law over Christmastime 1913

Also in 1933 this clan of machiavellian world propagandists fooled most Americans into giving them all their stored up gold. That is also a fact. It was literally called the "Gold Confiscation Act". On April "3rd", 1933 Franklin Roosevelt convinced all Americans that they needed to offer up all their gold bars and coins under the penalty of a hefty \$100,000 fine "to help get America out of the Depression". Americans willingly complied across the board and have since lost most of the massive gold stock the middle-class once possessed; funneled right out of Fort Knox back to the big European international banks and the illuminati's personal vaults. Similarly, will Americans willingly give up their guns and their 2nd Amendment after another staged and more devastating terror attack?

" The strongest reason for the people to retain the right to keep and bear arms is, as a last resort, to protect themselves against tyranny in government. The beauty of the second amendment is that it will not be needed until they try to take it. " - Thomas Jefferson

All the loose gold was collected up before the Fed Band started increasing the supply of paper money again, to complete the intentional Great Depression from 1929-1933.

The world government already has its own military, air force, intelligence, spy network, etc. - all paid for by your indentured debts to them over the years. The world government is able to be this arrogant, and retain their power over the world, because these kinds of people have learned they could control the world mostly through lies, fear, ignorance, money, greed, and a secret society network that keeps the engine of this emerging murderous and sham world government in operation.

These are not the sole conclusions of this one researcher. Perhaps the hardest of all of this to accept and believe of what is expressed in this booklet is that an angel from the heavenly world came to visit and discuss the topic of the Illuminati with the author, in the Spring of 2005. The angel said this, right after he brought up the topic himself, "Listen. If we get rid of the Illuminati, then everyone would be out of a job!". During

the opening of the conversation with the angel, who obviously felt an authority over the Illuminati, the full context of what he was speaking of was not fully comprehended, at first. The spiritual aspects came to mind later. A purplish-blue light Holy light emanated from his mouth/lips as he spoke. He also, all of a sudden and by surprise, answered a question from the gospels that was on my heart earlier that week. This was stunning to hear on top of realizing he was a real angel. He told me I was a goat, not a sheep - but he tends to think the goats are a bit smarter; and he expressed love for both goats and sheep. This question was on my heart and mind from reading the gospels days earlier, and I was not fully comprehending what was meant by the prophecy of Jesus coming back in the end of this era, and firstly separating the goats from the sheep prior to a judgement. So, heaven opened its doors and came in to say 'hi there' and drop another major clue to us all; through this one researcher at least. Believe it - or not!

As with this booklet, you have your own free will to believe in your own soul all or none of this, or some or most of it. { Note: If you just simply try to orally explain this to another less aware person, in less than a few minutes, they will mostly likely choose to deny anything you would say about this, implying the knowledge you are trying to share does not make a shred of sense - so this book can be a handy tool to present an undeniable amount of evidentiary facts to somebody who might care. Typically, family members can be the most stubborn as well. }

However, here is Daniel 7:7-8, a highly revealing verse from the Old Testament, by extremely faithful, end-time prophet:

“After that, in my vision at night I looked, and there before me was a fourth beast-terrifying and frightening and very powerful. It had large iron teeth; it crushed and devoured its victims and trampled underfoot whatever was left. It was different from all the former beasts, and it had ten horns. While I was thinking about the horns, there before me was another horn, a little one, which came up among them; and three of the first horns were uprooted before it. The horn had eyes like the eyes of a man and a mouth that spoke boastfully.“

Clearly, the number "11" is paramount in the emergence of the scriptural anti-christ system, as the 11th horn of the prophetic final beast represents the boastful anti-christ world deceiver/leader - to yet arise. Also, most everyone pretty much already knows the number 666 is also given as a clue in the final book of Revelation - to help indentify the actual anti-christ mega-jerk to arise. Well, if you wish to examine what is really going on in the big picture, you will ultimately discover the number "11" and "666" are the two highest 'power numbers' that the existing world government is specifically and predominately using in manifesting the freemasonic based New World Order

[anti-christ] world-government. The pyramid outside the Louvre in France, was made with 666 glass panels; as one example. Coincidence! the ardent agnostics might contest.

" And through his [anti-christ] policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many... " Daniel 8:25 (KJV)

The official logo of the World Government is currently the UN logo.

It is a symbol of a net cast over the entire world, like nobody can escape from it. A NET! Like a fish net! Are you a fish? The illuminati-class surely think less of you.

At their largest lodges, the freemasons have a bronze globe with a bronze net draped all over it, above the entrance. This is the global Freemasonic logo. Look at it in the photo above. The icon of the logo (the fishnet) is broken up into 33 zones, 8 groupings of 4, with a center circle, making **33** zones of world dominance. There are 13 acacia leaves, also of freemasonic lore, on each side of the world government logo. The serial killing world government occultists have already planned to make UN police cars soon, like the toy shown above - but real, and UN military soldiers, tanks, etc. You will likely be seeing them soon emerge onto the streets of the Americas and the rest of the world, maybe in your rear-view mirror. Hitler would be exstatic about the new global police, if his soul wasn't already blotted out, locked up, or on the way to a shameful and punishing hell.

The dark brotherhood is planning on financing droves of these mind-controlled global cops and hired mercenary soldiers, with paper money and computerized credits; to suppress, bully, and and possibly directly murder any dissenting groups in defiance of the New World Order global government takeover plan. They will say to themselves and others that they are “only following orders”. It has already been happening. Fritz Springmeier, the author of “Bloodlines of the Illuminati”, has been locked up in Federal prison for years already, and hopefully not abused/tortured. His two court dates and the 9-year sentence he was given carried the Freemasonic world government numeric signatures, as well. { Note: You can view the local news report that intentionally damages Fritz: <http://www.katu.com/news/story.asp?ID=62438> Fritz and his wife were raided on an occult date, February "9th" (2+9=11), 2002. He was sentenced more than a year later on November "13th", 2003. He was given a 9 year sentence. A total illuminati/masonic frame-up by the numerical signatures used! Fritz gets put in jail for just trying to tell the people of America a big part of the truth of their current plight/peril. }

The facts and unmistakable serial pattern covered in booklet is evidence of the corrupt global government plan already well underway. This is the formation of a Global Fascist Government, democracy provided at the barrels of thugs and guns - as it is today in Iraq, all controlled and operated by the world elite; examples being the House of Rothschild and Rockefeller global influences and subordinates - if their reign of horrors is allowed, by the people of the world, to continue... (You can actually help now or anytime by praying for mercy to the heavenly Father, in the name of Jesus, His Son. Just take some time out now.)

Some Hollywood spun examples:

If you watch the Hollywood movie "Frequency", the Fire Engine is # 93 , Dennis Quaid's home address is " 111 ", " 22-22 " is called out on the radio, the TV is flipped to channel " 13 ", at the house party are two people with baseball shirts, # 13 , # 11, on the TV is a baseball player wearing # 9. This movie has a satanic plot as it suggests that people live on in an after-life without ever referring to Lord and Savior Jesus; with Him we each have eternity; without Him are those whose soul's will perish as is stated in scripture. The movie "Vanilla Sky" starts on his 33rd birthday. He has a board of 7 directors called the 7 dwarfs and they still see him as though he is an 11 year old boy. Hollywood is controlled by the big international banks and their devil worshipping owners. Witchcraft is taught in Harry Potter books and the truth of Jesus is completely left out. Harry Potter series starts when he's 11. There are 7

books and 7 movies planned. It's all over the place.

Michael Douglas in the film, *The American President*: a staff aid comes in the room and states "Mr. President, Mr. **Rothschild** has some concerns about your speech." This world is truly the devil's theatre. Hollywood is really a can of worms. They just love making facts seem like fiction.

Some Freemasonic Corporate Logos:

AOL's logo, or the CBS ('See-BS') logo are just three examples. The Bank of America Logo has two red and one blue 11's ($3 \times 11 = "33"$ - Freemasonry's second favorite number.) See how the Illuminati's 'all seeing eye' symbol is being used on sites such as: GlobalSecurity.com:

<http://www.globalsecurity.org/eye/index.html>

Not surprisingly Bill Gates has shown to be a practicing occultist as well. If you take another look at the Microsoft logo, you perhaps can easily see that it is a "7"x"7" array of dots leading up to an "11" overlaid by a "13" next to another "3" that forms a "33".

On an occult numerological note: Mysteriously, also it should be noted the number of days in the year divided by eleven: $365/11 = 33.181818181818$ or "33".(6+6+6).(6+6+6).(6+6+6)

Gun control and tyrannical executive orders currently on hold:

In 1929, the Soviet Union established gun control, and from that year until 1953, twenty million people were rounded up and exterminated. Turkey established gun control in 1915, and over the next three years, 1.5 million Armenians were rounded up and exterminated. Germany established gun control in 1938, and over the next seven years, 13 million people were rounded up and exterminated.

China established gun control in 1935, and over the next 17 years, twenty million people were rounded up and exterminated. In 1964, Guatemala established gun control, and during the next 17 years, 100,000 people were rounded up and exterminated. In 1970, Uganda established gun control, and during the next eight years, 300,000 people were rounded up and exterminated. In 1956, Cambodia established gun control, and from 1975 to 1977, one million "educated people" were rounded up and exterminated. Thus, in the 20th century, 56 million people unable to defend themselves were rounded up and exterminated.

Executive Orders 10999, "11"003, and "11"005 control transportation, including private automobiles, highways, waterways, rail lines, airports and public storage facilities. Government can seize any vehicle. Executive Order "11"001 allows for the seizure of health, education, and welfare functions, including hospitals, pharmaceuticals, and schools. Executive Orders "11"000 , "11"002 and "11"004 , perhaps most disturbing of all, provide for the registration and relocation of individuals as the government sees fit, including separation of families based on the perceived needs in dealing with a declared crisis. These orders also provide for the seizure of housing and the establishment of new public housing.

Masonic Energy Black-Out Hoaxes on the populations:

The last big blackout in the United States took place almost exactly nine years ago, August "11th (8+11="19"), 1996, when some 4 million customers in "9" Western states and parts of Mexico lost power for as long as 10 hours. On July "13th", 1977, a blackout left some "9" million people in New York City without power for up to 25 hours. Looting resulted in 3,700 arrests. On November "9th", 1965, 80,000 square miles in "7" states and two Canadian provinces went black affecting 30 million people. It became known as "the Great Blackout." That's the freemasonic 11 & 9 signature folks, such as the Berlin Wall being removed on 11/9, and also, of course, 9/11 in NYC.

So, if you read this report, and if you just thought one person made all this up, and an emerging serial-killing world government fiasco does not exist, I regret to highlight to you that must be completely blind. In any case, please pass this booklet to another, as they might have an interest the progression of world events in their earthly and eternal destinies, and may not be so casually blind to what is unmistakably going on - on a global, Biblical, and celestial, scale. You are included in this entire process. There are no exceptions.

Who did all this? The “33s” in governments all around the world, puppeted by the {mostly Jewish} Masonic bankers. It seems fitting, that Christ rose from the dead at 33 years of age, and the anti-christ system has done their best to clone and try and make that number their own. The beast system expressed in Old Testament prophecy and in Revelation has an unknown remainder of days left on its lease over Earth. The Father will decide when.

Revelation 17:12-14 (NIV)

12. The ten horns you saw are ten kings who have not yet received a kingdom, but who for one hour will receive authority as kings along with the beast. 13They have one purpose and will give their power and authority to the beast. 14They will make war against the Lamb, but the Lamb will overcome them because he is Lord of lords and King of kings-and with him will be his called, chosen and faithful followers.

The four beasts of Daniel's (Chapter 7) prophetic vision may just be:

1) Lion (Great Britain and Scotland both us this symbol, as do the York and Scottish Rites of Freemasonry) with Eagles Wings (obviously America) 2) Bear (Obvious symbol of Communism) with 3 ribs in mouth (Russia, China, Korea) 3) Leopard (Germany has used this symbol; 'panzar' (leopard tank) with 4 heads (1st,2nd,3rd,4th Reichs) and 4 bird wings (always done under the wings of the establishment churches) Germany is always where the darkest illuminati have secretly ruled out of (somewhere in Bavaria). 4) Global 10 horned beast (Possibly the new Commonwealth of 10 European (Union) States or 10 UN biosphere regions; or perhaps the 10 nations that ratified the ICC - the International Criminal Court as well!)

Who is the only person who said all this mess was going to eventually happen, outside of the previous century? Only Jesus! And He certainly lives today! His life is eternal. He can hear you.

Those who knock sincerely, and wait faithfully and patiently, will receive his attention, as He stated! He spoke only truth.

Truly, we are witnessing a massive {and prophetic} deception unfold across the world.

So GRAND is the deception that the Illuminati-class themselves are even deceived .

The scores of experiences they have had in their lives so far tend to make an 'illuminated' or elite freemason believe that a universal loving God/Father does not exist. { George Bush Sr., while trying to raise money for himself and Bill Clinton through a website during the Katrina hurricane disaster stated this on the global news: "IF a loving God exists in the Universe..." - so right there the big word IF was used. It is obvious in this and other ways that this class of controllers do not truly believe in (or personally know) the God of the Old and New Testament; a King of Righteous Love seated Highest in the heavens, and the author of the Ten Commandments. } Without knowing the Father, this mass serial killing world government organization have pledged their souls to the spirit of Lucifer. (Luciferian New World Order minions also refer to this mirage as "The Great Architect".)

Therefore, The Father allows the filthy rich, the criminals , the 'architects of history', the propagandists, to have their merry way for the time being - and without obstruction, until the day He wishes to reveal Himself, in glory, to all the heartfelt believers in Himself and his Son; as expressed in the New Testament. Wow! So Maximal. So True.

What are you going to do? Remain blind, be silent, or honor truth (and the warnings in the Bible)?

Only a Revolution in Spirit of Truth can set us all free.

News Release 9 October 2003

Lethal Virus from 1918 Genetically Reconstructed

US Army scientists create "Spanish Flu" virus in laboratory - medical benefit questionable

(Austin and Hamburg, 9 October 2003) . The 'Spanish Flu' influenza virus that killed 20-40 million people in 1918 is currently under reconstruction. Several genes of the extraordinarily lethal 1918 flu virus have been isolated and introduced into contemporary flu strains. These proved to be lethal for mice, while virus constructs with genes from a current flu virus types had hardly any effect. These experiments may easily be abused for military purposes, but provide little benefit from a medical or public health point of view.

The 1918 Spanish Flu was highly infectious and . in comparison to contemporary flu viruses . killed a very high percentage of those infected, including many younger people. The Spanish Flu alone caused the medium life expectancy in the US in 1918 to drop by 10 years. Hence, flu viruses are perceived

today as a serious biological warfare threat. Just two weeks ago, a 15 million dollar research grant was awarded in the US to develop protective measures especially against a bioterrorist attack with flu viruses.

Despite the very dangerous nature of the 1918 virus, efforts to reconstruct it started in the mid 1990s, when Dr Jeffrey Taubenberger from the US Armed Forces Institute of Pathology in Washington DC succeeded in recovering and sequencing fragments of the viral RNA from preserved tissues of 1918 victims. In the current issue of the scientific journal Emerging Infectious Diseases new genetic details of the 1918 flu virus will be published. But after (partially) unraveling the genetic sequence of the virus, the scientists went a step further and began bringing the Spanish flu back to life. Unnoticed by the public, they succeeded in creating a live virus containing two 1918 genes that proved to be very lethal in animal experiments. This experiment is only one genetic step away from taking the 1918 demon entirely out of the bottle. A resuscitation of the Spanish flu is neither necessary nor warranted from a public health point of view. Allegedly, the recent experiments sought to test the efficacy of existing antiviral drugs on the 1918 construct. But there is little need for antiviral drugs against the 1918 strain if the 1918 strain had not been recreated in the first place "It simply does not make any scientific sense to create a new threat just to develop new countermeasures against it." says Jan van Aken, biologist with the Sunshine Project, "Genetic characterization of influenza strains has important biomedical applications. But it is not justifiable to recreate this particularly dangerous eradicated strain that could wreak havoc if released, deliberately or accidentally."

Construction of new maximum security (BSL-4) laboratories for biodefense research has been justified in part by citing the potential of the Spanish Flu as a biological weapon. Influenza usually requires a low level of containment; but when scientists begin recombining virulence-related genes, the danger dramatically increases. The University of Texas Medical Branch's BSL-4 plans influenza 'gene reassortment' experiments in maximum containment. "This kind of research is creating a vicious circle, and could prompt a race by biodefense scientists to genetic engineer unthinkable diseases", says Edward Hammond of the Sunshine Project, "What disease comes after influenza? Biodefense laboratories must not become self-fulfilling prophesy centers. The world does not need biodefense programs to create a 'genetically engineered disease gap'."

From an arms control perspective it appears to be particularly sensitive if a military research institution embarks on a project that aims at constructing more dangerous pathogens. "If Jeffrey Taubenberger worked in a Chinese, Russian or Iranian laboratory, his work might well be seen as the 'smoking gun' of an offensive biowarfare program," says van Aken.

The Council on Foreign Relations, in its recent journal report says, if a global flu pandemic ensues: "In short order, the global economy would shut down. Vaccines would have no impact on the course of the virus in the first months and would likely play an extremely limited role worldwide during the following 12 to 18 months of the pandemic. With today's limited production capacity, that means that less than 500 million people . about 14 percent of the world's population would be vaccinated within a year of the pandemic." [Foreign Affairs, July/August 2005]

Other pertinent quotations:

" I have heard much of the nefarious and dangerous plan and doctrines of the Illuminati. It was not my intention to doubt the doctrines of the Illuminati and the principles of Jacobinism had not spread in the United States. On the contrary no one is more satisfied of this fact than I am. "

- George Washington, The Writings of George Washington p20

" Banking is conceived in iniquity and born in sin. Bankers own the earth. Take it away from them, but leave them the power to create money and control credit, and with the flick of a pen they will create enough money to buy it back again. Take this great power away from the bankers and all great fortunes like mine will disappear, and they ought to disappear, for this would be a better and happier world to live in. But if you want to continue the slaves of bankers and pay the cost of your slavery, let them continue to create money and to control credit. " - Sir Joseph Stamp, Banker

" I see in the near future a crisis approaching that unnerves me and causes me to tremble for the safety of my country. As a result of the war, corporations have been enthroned and an era of corruption in high places will follow, and the money power of the country will endeavor to prolong its reign by working upon the prejudices of the people until all wealth is aggregated in a few hands and the Republic is DESTROYED. " - Former US President Abraham Lincoln, 1865

" Government is the great fiction, through which everybody endeavors to live at the expense of everybody else. " - Frederic Bastiat, French Economist (1801-1850)

" Military men are dumb, stupid animals to be used as pawns for foreign policy. "

- Henry Kissinger, Long-time shadow government official and war criminal

" Today, America would be outraged if U.N. troops entered Los Angeles to restore order. Tomorrow they will be grateful! This is especially true if they were told that there were an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will plead to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well-being granted to them by the World Government. "

- Conspirator Henry Kissinger, Bilderberger Conference, Evians, France, 1991

" The truth of the matter is that you do have those standby provisions, and the statutory emergency plans are there whereby you could, in the name of stopping terrorism, apprehend, invoke the military, and arrest Americans and hold them in detention [death] camps. "

- U.S. Representative Henry Gonzalez, Aug 29th, 1994

Now are you prepared to be thrown some real hard statements as presented by the leading globalist war general of today? On November " 21st", 2003, General Tommy Franks said the following during an interview published on Newsmax.com: " **If the United States is hit with a weapon of mass destruction that inflicts large casualties, the Constitution will likely be discarded in favor of a military form of government. If that happens... the Western world, the 'free world', loses what it**

cherishes most, and that is freedom and liberty we've seen for a couple of hundred years in this *grand experiment* that we call democracy. "

" The United Nations is the greatest fraud in all History! It's purpose is to destroy the United States. " - John Rankin, U.S. Congressman

" The UN is but a long-range, international banking apparatus clearly set up for financial and economic profit by a small group of powerful One-World revolutionaries, hungry for profit and power. " - Curtis Dall, FDR's son-in-law as quoted in his book, My Exploited Father-in-Law

" The only thing worth globalizing is dissent. " - Arundhati Roy, The Progressive magazine, 4/2001 p38

" It is my conviction that killing under the cloak of war is nothing but an act of murder. Nothing will end war unless the people themselves refuse to go to war. The world is a dangerous place to live; not because of the people who are evil, but because of the people who don't do anything about it. "
- Albert Einstein, Critical Thinking Scientist

" Strike against war, for without you no battles can be fought! Strike against manufacturing shrapnel and gas bombs and all other tools of murder! Strike against preparedness that means death and misery to millions of human beings! Be not dumb, obedient slaves in an army of destruction! Be heroes in an army of construction. " - Helen Keller, 1940

Book cover Description : This worldwide-mindshattering book will reveal the truth of the world we live in, the bigger picture, and how *all* governments, 'intelligence' agencies, and corporations are being controlled today; leading exactly into World Government/Biblical Prophecy. The people of the world are being tricked, duped, played like a deck of cards by a hidden (and Luciferian) communist oligarchy of 'illuminati' international banking magnates. In other words, whole planet is being run under a World Government *already*, they are just using terrorism and lies right now to establish more control as tyrants have done and still do . Astonishingly, it has been recently discovered, in the year 2005, that the biggest events of the world in the last 100 years have been conducted by the **Illuminati** on occult numbered dates especially major terrorism and World Wars. This book proves the fact that humanity itself has been continuously and massively deceived and manipulated by elite personages who ritually worship the " **angel of the abyss**", **the father of all lies**, and secretly rule the whole world through their privatized corporate banking complex . And the good news (and there is good news despite the bad news) is that Jesus will certainly soon come to chain the beast back into the abyss through the power granted to Him by the Father and bestow his blessing of forgiveness and eternal life onto His followers; those who have believed and trusted in Him. This book contains over 1000 historical facts and proves to those who might be on the fence that God Our Father's word is true and just; for the faithful and righteous Jewish; Christians; Muslims, etc. Israel has been tricked, America has been tricked, the whole world has been duped by the devil. This is a rare and valuable book with a unique set of messages that you will want to show all your skeptical friends, so get your copy of this amazing book today! The idea of this ebook is to show all those you know before the evil power seizes their liberties, wealth, and possibly their souls with the Mark!

That is a rhetorical {not needing to be actually stated} instruction for the faithful, wise, and caring to inform others out there all around the world. A good way to do that is with this booklet. This booklet is a > 1mb Adobe PDF file that everyone can easily put on their MP3 players to easily fileshare. Although it seems very 1980ish, please note that this PDF file is small enough, at 830kb, to fit on a standard 3.5 inch floppy disk. Therefore if the class of creeps that are running this world, decide, through their powers over the corporations that have absorbed most of the control over the existing internet, to disable communications across the internet during a time of global panic and chaos, then this information can still be distributed by hand through the those old floppy disks and drives. And only if everyone, including you, decides to help to inform one another, like, right now. Lets all get to work now, continuously.

One final note: From observations made concerning "smoke screen" drills. Freemasonic black operations normally perform a 'drill' in tandem, simultaneously, with an actual terror event, such as the government run military drills on 9-11-2001, or 7-7-2005 - to cover any real communication concerning the triggering of a live event. If any predictions are to be made, the next target(s) will most likely include Chicago Illinois; as another 'ground zero' there would crash the stock, bond, and futures markets well for the ruling Luciferian cult of gangsters. Recently there was a 'anti-terror' drill posted on www.falseflagnews.com (covering NWO terror - and drills) that is slated to occur on "9"/"7"/2006 (September 7th, 2006) in downtown Chicago; which appears to be part of the overall set-up. Will the illuminati be depraved enough to cause such an example of future devastation, chaos, and a military lockdown of the region, or the whole nation?

Only the upcoming dates & times of the events will tell... Look out for this!
