JEFFREY ST. CLAIR

COUNTERPUNCH CO-EDITOR AND AUTHOR OF

GRAND THEFT PENTAGON

TALES OF CORRUPTION AND PROFITEERING IN
THE WAR ON TERROR

Jeffrey St. Clair is an award-winning investigative journalist, co-editor of political newsletter CounterPunch and author of nine books, including *Whiteout: the CIA, Drugs and the Press*, *Been Brown So Long It Looked Like Green to Me: the Politics of Nature* and *Imperial Crusades: Iraq, Afghanistan and Yugoslavia*.

From the F-22 fighter jet and B-2 bomber to the Stryker tank and Star Wars, Grand Theft Pentagon chronicles how the Pentagon shells out billions to politically wired arms contractors for weapons that don't work for use against an enemy that no longer exists. St. Clair shows how many of the biggest arms contracts were literally inside jobs, negotiated by Pentagon generals who later went to work for the very same corporations that were awarded the contracts.

"Jeffrey St. Clair is the Seymour Hersh of environmental journalism." -Josh Frank
