" Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country. Our minds are molded, our tastes are formed, our ideas suggested, largely by men we have never heard of. " - **Walter Bernays, *Propaganda* - 1928**

" The real rulers of Washington are invisible and exercise power from behind the scenes. " - **Justice Felix Frankfurter - US Supreme Court Justice, 1973**

And while you're studying that reality -- judiciously, as you will -- we'll act again, creating other new realities, which you can study too, and that's how things will sort out. We're history's actors. . . and you, all of you, will be left to just study what we do. " - **A statement of a Bush administration senior advisor.**

Dear Eric:

You're certainly on to something here. The Illuminati do, indeed, put a lot of stock on symbols, rituals, numbers, etc., all of which they endow with supernatural (occult) significance. Astrology and the New Moon are also key in their ordering of events.

Thanks for bringing this great article to my attention. You really spell it out with a clarity that is much needed. I am pretty much in agreement with your conclusions, grim as they are. I will link to your article.

**This book focuses in on one angle of the Illuminati's methodology within their overall Conspiracy to dominate the whole world: their use of occult and specific numerology in architecting the events of what we have formerly known as 'history'. It proves that case that the timing of major events are decided beforehand by a secretive group that controls our government. There are dozens of other books and films that go into more detail from the many other angles of the overall Illuminati NeoConspiracy planning their idea called a "New World Order". Many can be located through [www.infowars.com](http://www.infowars.com) and [www.jackblood.com](http://www.jackblood.com)**

**The cult of the Illuminati was created along with America on May 1st, 1776, prior to the first "Independence Day". However, that holiday will likely go down in history as "InDeception Day" as that is what it has amounted to since. The trick was that an America that was to be told it was free, but when hijacked financially would eventually lead to the international banker's of the City of London plan for world domination. Adam Weishaupt, the illuminati's "George Washington", was actually formed a 'pen-pal' relationship with Thomas Jefferson. In his writings George Washington was actually quite "satisfied" in the fact of the existence of the Illuminati. The fact is these personages are real and they exist and breathe air such as you and have for a long time, but they wish to stay out of the public's field of view and control things today to keep up that public perception of political and economic invisibility. They have contempt for the common man and refer to themselves as 'elites'. George Bush II refers to them as "my bankers".**

### **Samples of how the Illuminati have celebrated "anniversaries" of some Key Events:**

OCCULT NUMEROLOGY IN TIMING EVENTS OF TERRORISM

'The Architecture of History' - By Eric Rainbolt

The Davinci Code is Hollywood BS. This is the real hidden historical code.

Is the title of this report intriguing for you to consider taking the time to read? Could "history" possibly not be 'accidental' but rather 'concocted'? Is the world seeming crazy enough yet for you to seek answers other than what the television will tell you? Could a cabal of [20]Luciferian Freemasons in power over the major governments of the world be setting the 'timing' of terror events? Could a small group of hidden financeers be playing all of humanity like a deck of cards? All the evidence points unmistakably to 'yes'. This is what this frightening report will summarize for everyone.

[21]Freemasonry is the world's largest semi-secret society with millions in its membership roles. However, there is a hierarchy resembling a [22]pyramid within the world-wide organization.

There are two sects of Freemasonry known as the York Rite (that has "9" degrees of secrecy) and the Scottish Rite (which has "33" public degrees of secrecy).

Masons are very prideful. Any of them will tell you that most presidents have been either 32 or 33 degree Freemasons. Bush I and II and their COO, VP Cheney, are all 33rd degree Freemasons. The UK's Tony Blair is a 33rd degree Freemason, as is Vladimir Putin, Mikhail Gorbachev, Ariel Sharon, and the list goes on and on...

Even NY Mayor Rudy Giuliani was [23]knighted into the Masonic order by the Queen of England on Feb "13"th, 2002 for his role in 9-11.

The origin of Freemasonry goes back to "1111"AD where "9" European separatists declared themselves the "[24]Knights Templar". This is why the numbers in the date "9"- "11" are so important to the powers that be. For instance, they celebrated the [25]groundbreaking of the Pentagon on September 11th, 1941.

60 years later elite Freemasons architected the events of 9-11-2001 so they could operate a war between the East and West, between the Christian world and the Muslim world for world domination. It turns out the "Holy Roman Empire" never fell; they are still at it. The "Fourth Reich" has been assuming power on a global scale.

They like to celebrate anniversaries of their control over 'history'. For instance, Bush's dad gave a speech on September 11th, 1990 when he was president in front of the congress. He stated "Out of these troubled times, our 5th objective, a New World Order, can emerge." "11" years to the morning from that date 9-11-2001 occurred with the first airliner, Flight "11", hitting the North Tower at 11 minutes to 9am. They are particularly fond of the number "11". They use that most often.

They think by using the number 11 that it gives them more power over humankind. They are that freakish.

Bush I delivered a speech in front of the United Nations on 2/1/1992 where he stated: "Americans will soon pledge their allegiance to the sacred principles enshrined in the United Nation's charter." On the morning of the "11"th anniversary of that speech, they celebrated their control over world events by sacrificing the Columbia STS 107 Space Shuttle over Dallas, which is on the "33rd" parallel. [26]Dick Cheney was in Dallas that morning to see the comet come in. It was an intentional ritual sacrifice of the shuttle. These are the unmistakable facts of 'history'.

Freemasons are very prideful architects. They are a very influential group in modern day building architecture. They like to use certain mathematical principles, such as [27]Euclid's "47th" proposition. They also stick to using their sacred number

set wherever they can (3,7,"11",13 (and multiples of those),19,47,93, and 111). They use those numbers in architecting Masonic lodges, corporate buildings, and "history".

This control over 'history' is real high level stuff of course. For instance the popular president [28]JFK, not a Freemason but from the billionaire Kennedy family, didn't even seem to be aware of this type of power and manipulation while he was President.

For instance, the hidden money power of the world wished to create a lot of fear in the world. For "13" days, they made it seem like Russia and the US were going to bomb each other with nuclear weapons; known as the "13 Days of October" or the "Cuban Missile Crisis." In the middle of that staged conflict, on 10/"22"/1962(2x11=22) [29]they put JFK on world TV to deliver a speech. Soon after that, the illuminati had the Russian government remove the nuclear missile sites from Cuba. The "Cold War" continued; trillions of taxpayer's money was spent on militaries and bombs over the next decades - on both sides of the world.

However, since JFK was going against the grain of the illuminati bankers, they set up his assassination exactly "13" months later from his world televised speech. He was taken out in Dallas on the "33rd parallel on "11"/"22"/1963. ("22" is a multiple of "11", as is "33" - the highest degree in Scottish Rite Freemasonry.) Simply stated, this was a Freemasonic ritual ssassination.

The "Architects of History" are not public figures. The American government is just a bunch of puppets of the London financiers, who call themselves the 'illuminati'. They finance the 'establishment' with paper money they assume the rights to print out-of-thin-air. They put in puppet governments, such as the Bush regime, to do their dirty work and deliver their propaganda to the public for them. The international banking elite have simply taken the American flag over time and used it as their gang symbol. The US government is a branch of the Freemason steeped [30]London monarchy as much as Tony Blair's puppet government in the UK. The London banks have always secretly controlled America, even since 1776, the year of so called American "independence"; also the year Adam Weishaupt's secretive Order of the 'Illuminati' formed in opposition in Europe.

This is strange to find out because they have never wanted to reveal how the world is really operated to masses of the American people, especially since their banking organization hijacked America's currency in 1913 with the [31]corrupt Federal Reserve Act. In 19"33" the masons controlling the US government put [32]their symbolism all over the back of the US 1 note. They control the monopoly board by issuing their paper monopoly money. It costs them as much to print a 20 US note as a 1 US note, a few copper cents. "The Fed" bank prints up as much as they secretly decide on. They lend it to the US so Americans can have money to pass around in order

to have commerce. They draw 'interest' of all the money they print and loan out. That's why it is called a Federal Reserve "Note". It is not money backed by Reserves - it is simply a loan, a paper "IOU", based only on the credit of the US government! (which is not credit-worthy by the way.)

Their puppet Greenspan [33] announces if it is going to cost more or less to borrow money from the Fed Bank. It's just a giant privately run scam. [34] Economists have been writing books exposing the monstrous fraud for decades. People still seem not to care. They must think the billionaire Freemasons and the trillionaire illuminati devil worshipping international bankers running the world's finances are going to take care of them and their children and so forth. They must think they will one day stop [35] terrorizing ordinary people, [36] creating wars, and not crash the economies of the world to cash in like they did during the "[37] Great Depression", or try to put the military on the streets of America under "[38] Martial Law".

However, they are currently setting it all up. 9-11 created a world again at war and more centralized federal power over all the American people. [39] "3/11"/2004 in Madrid they killed (1)9(1) more people to set up more police power over the people in Spain. (3x11="33" - the Freemasons are so prideful they have to 'sign' all their bombings.) Also, [40] "3/11"/1985 was the "19th" anniversary of the inauguration of "33rd degree Freemason Mikhail Gorbachev. 5 months after he oversaw the [41] Berlin Wall fall on "11"-9-1989, he publicly stated

"[42] We are only beginning to shape the New World Order."

[43] The London 7/7 bombings (7x11) {Like flight "77" on 9-11} gave the Crown more police power over the people of Europe. They next [44] bombed Egyptians on 7/"22" killing "88"(8x"11") Amazingly they [45] signaled the timing of the that event by jamming/slowing the London Big Ben clock on 5/27/2005 for the "13" minutes between "22:07" and 22:20. Europeans write the date for July 22nd, 2005 as "22/7".

Recently, the bombs in Bali Indonesia have their "33" signature on it too. First, a bomb went off in [46] Bali 1 year, 1 month, and 1 day after 9-11 (that's a "111" sequence), on 10/12/2002.

"11" days before the "3rd" anniversary of that first bombing [47] they killed more Indonesians on October 1st, 2005.

Could the timing of all these major terror events just be "33" coincidences? Obviously not. It would be against billion to 1 odds or greater. Also that would be excluding [48] all the other evidence that is out there explaining that this is happening.

The [49] ebook Revelation 9-11 available at <http://www.threeworldwars.com/occult.htm> contains hundreds of more examples of freemasonic control and intrigue throughout 'history'. The past should really be called "their story". What are we going to call the future once it has also past?

Here. If you are still not convinced: on the 1st anniversary of 9-11 they made the [50] NY city lottery balls come up "911" and the [51] Chicago S&P futures exchange index come up "911.00".

That's impossible to both happen on the 1st anniversary of 9-11, but they were pridefully boasting "We did it!", "We have this much power and control over all of you." "We control not only the TV and Hollywood, but lotteries, and stock exchange indexes too!" That's how they have dropped their hints apparently to help shed their guilt amongst themselves.

On the 6th month anniversary of 9-11, they put "88"(8x11) flood-lamps where the buildings used to be. [52] They made a giant "11" again from March "11th" to April "13th", 2002 for "33" nights. They turned the lights off each night at "11pm".

The Freemasonic illuminists were only showing off; certainly not mourning with the rest of the world who naturally perceived the situation differently.

All these are the facts of 'history'. George Orwell who wrote "1984" stated "Who controls the past controls the present. Who controls the present controls the future." The Democratic and Republican parties are all just used car sales teams to the American people, selling lemon after lemon - while keeping quiet about the intentions of their [53] dark overlords.

People need to understand a 1 US Federal Reserve (actually not Federal, no Reserve folks) Note is just like a stock certificate. It only has "perceived" value and the value of it may go up & down. They issue more notes or 'currency stock' at any time. The more money they print up, the more the value of every dollar goes down as it filters about. They plan on soon crashing the US note, and replacing it with the "[54]Amero", like the Euro, when they financially rig all the American countries from Canada to Chile, under 1 illuminati privately run central bank. They plan to send more non-thinking American soldiers to war with dissenting countries like [55]Venezuela first.

First, they want to provide a cover for their intended financial crash. That is why they are soon going to be [56]releasing deadly influenza plagues on the populations. Soon you will be hearing [57]Bush talk about military run 'quarantines' and 'martial law' to contain the outbreak. However, this will only give them more control over [58]spreading the outbreak and imprisoning all the American people while at the same time providing cover for the coming illuminati Fed Bank crash of the American economy and currency. They intend on [59]forcing mandatory 'vaccinations' against the 'bird flu', which is loaded with the toxic and carcinogenic mercury(Hg) preservative [60]Thimiserol. An internal passport will be required to travel.

People will be ordered to take the toxic vaccinations to receive their national-id cards, or microchip implant.

When inoculations are mandatory, this gives them control to selectively infect the population through the vaccine mechanism itself, by SSN number. The CDC is also run by high-level Freemason insiders. For instance on 11/11/04 (the same day they assassinated the Palestinian leader "Yaser Arafat" at "3:30am) the [61]UN's World Health Organization (W.H.O.) met to discuss the coming world flu pandemic. "3" months and "11" days later on 2/"22"/05, the [62]CDC released an announcement that the pandemic flu will be coming to America.

The government is now trying to scare everyone with H5N1-influenza 'bird flu' but the insiders will be releasing the much more deadly and contagious [63]H1N1-influenza (the 1918 "Spanish Flu" pandemic variety which they have in stock) either in the vaccines or another deceptive method.

They are also planning to increase the [64]toxic sodium fluoride levels in the public's tap water to make them more dumb and lethargic. This is how criminal the 'system' is. Former presidents like Eisenhower, [65]warned us of such things about the Military-Industrial complex, as these issues, during his departure speech. The American people did not listen to him or heed his warning - for if they did the world would be a much happier place now.

High-degree Freemasons are not the only terrorist organization of the world but they are certainly friends with any others. A Russian dictator, [66]Vladimir Lenin, once said "Terror is not a thing, it is a technique, and the essence of our rule." Now it has reached a global scale.

Freemasons are the "Architects of History" and the "New World Order/Fourth Reich" world dictatorship. There are only two possible solutions. 1) The American people reform a legitimate and constitutional government by routing out all the criminals; impeaching all the three branches. A person like Alex Jones of [67]prisonplanet.com can free the people and help lead to the way to lock up the bandits. Any bum off the street would be more honest than the crime lords and master liars operating the current government. 2) The other solution is to believe in the Second Coming of Jesus Christ as prophecy is being fulfilled daily and look forward to the Eternal God's Kingdom on Earth.

Which one will you believe and put for effort in - or both? Or do you like the current established oligarchy of lying criminals and are you one of them?

If you are not one of them, then the best thing you can do right now is to now share this report with all others around you; so the public 'knows thy enemy'. They wish to harm you and your family. They wish to continue to bring death and destruction to the world. The kings of this world serve the "angel of the bottomless pit" as expressed in Revelation 9:11. Your soul is being tested.

Whatever you choose to do, don't just sit there unless you need to re-read the above for it to become crystal clear. Pick any fact listed and verify it online. You will see that all of it is indeed true. Do you think you are safer with less people knowing about this? Choose to work on the side of truth, goodness, and love rather than lies, fascism, and tyranny. These are the facts of history. The author didn't make them up, the establishment elite throughout history did.

Here are more examples over 'history':

On April "**19th**", 1775 at the the Battle of Lexington and Concord British General Thomas Gage attempts to confiscate American colonists' firearms. The British are driven back to Boston, Massachusetts. The American Revolutionary War begins. On another April "**19th**", in 1943, World War II German troops enter the Warsaw ghetto to round up the remaining Jews, starting the Warsaw Ghetto Uprising. So on the 218th and 50th anniversaries of these events we have April "**19th**" 1993 in WACO Texas - a state raid/purge of a non-establishment religious assemblage in a fiery maelstrom on American soil where 81 men, women, and children are burnt to death because they had assembled in a church of their faith. International troops are used. It was an entirely illuminati engineered operation.

2 year later, on the August "**19th**", 1995 Federal conspirators detonate bombs inside and 1 outside the Oklahoma City Murrah building in which covert army agent/operative Tim McVeigh serves his 'duty' as a patsy. By the numerics used throughout the entire coverup during McVeighs 5 year string or trials - it became clearly signed as an illuminati operation from beginning to end.

On "September **11th**", 1941 the groundbreaking ceremonies of the Pentagon ( modeled after the inside of a satanic five pointed pentagram symbol ) were held. On the 30th anniversary of that event on "September **11th**", 1971, the USSR's deposed leader Nikita Khrushchev died a mysterious death under house arrest (most likely assassinated at a certain time). So **September 11th, 2001** became the 30th anniversary of this event in illuminati controlled Soviet politics and the 60th anniversary of the groundbreaking of the Pentagon. (The Pentagon was built in that form as it is the inside of a *pentagram* symbol.)

1 year later on "September 11th", the world was introduced to terrorism at the 1972 Munich Olympic Games. There were 121 participating countries (11X11=121), and **11** Israeli athletes were killed in the events that occurred on **9/11/1972**. Exactly 29 years (2+9="11") after this terrorist horror ended, a more despicable horror occurred, the September 11th, 2001 illuminati staged inside job "terror attack". The following year on "September **11th**", 1973 Chilean President Salvador Allende is killed in a brutal, violent military coup led by General Augusto Pinochet. Henry Kissinger was strongly implicated in this attack, and if he were to ever stand trial in an International Court, he would be charged with masterminding this coup and ordering the assassination of Allende. ["The Latest Kissinger Outrage: Why is a proven liar and wanted man in charge of the 9/11 investigation?", by Christopher Hitchens, 11/27/2002.] 28 years later, Mr. Kissinger helped mastermind a more horrendous attack on 9/11/01.

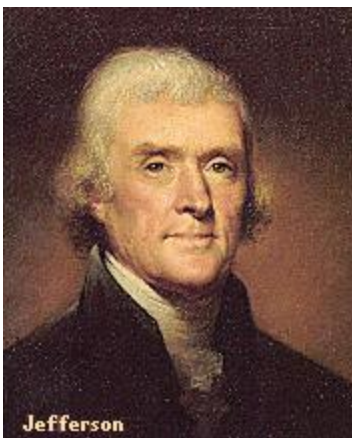

On April "11th", 1990, Mikhail Gorbachev was quoted as saying " We are only beginning to shape the New World Order. " ( He became the Soviet leader on March "11th", 1985 - exactly "19" years to the day of the Madrid Blast on 3/11/04 which killed "191" European travellers! This was how the illuminati terror masterminds celebrated the 19th anniversary of Gorbachev's inauguration and Gorby knew it! )

Exactly 5 months after Mikhail's statement and on the "19th" anniversary of Khrushchev's assassination, and the 49th (7x7) anniversary of the Pentagon construction, on September "11th", 1990 George Bush I, as president at that time in a speech he entitled "Toward a New World" boldly stated: "**What is at stake is more that one country [meaning the United States of America!], it is a New World Order, where diverse nations are brought together in common cause to reach the aspirations of mankind...**" Yes, he stated this on "9/11"/1990!!! Bush I was reminding the congressional country club of their intrinsic allegiance to the overall plan of soon forming a \*one world government\* at the expense and wholesale slaughter of billions of innocent freedom loving people around the world - including 150-200 million Americans; a worldwide holocaust first to begin with America's destruction !

Then 1-1/2 years later he said in front of the UN: " It is the sacred principles enshrined in the United Nations charter to which the American people will henceforth pledge their allegiance. " - Bush I addressing the General Assembly of the U.N., February 1st, (2+1="3") 1992. Exactly "11" years to the day of this speech the special UN Space Shuttle mission Columbia Flight STS 10"7" was sacrificed coming in above the 33rd degree parallel. Dick Cheney was out in a field hunting that morning in Dallas Texas right under it. (quite obviously so he could see the smoke of it in full view as it occurred.)

"6" months after 9/11/01, from March "11th", 2002 to April "13th" the WTC center is 'illuminated' with "88"(8x11) floodlights making the world's tallest "11" for "33"(3x11) nights!!!!!! Freemasons who serve and worship the illuminati love the number 33 - it is their highest 'degree'. The lights are programmed to go on at "6:3"0 and off at "11":00pm. This is an example of glaring illuminati arrogance ! ( Also see event collage in the appendices for more timeline events in pictures. )

" Single acts of tyranny may be ascribed to accidental opinion of the day; but a Series of oppressions, begun at a distinguished period, and pursued unalterably through every change of ministers (administrations) plainly PROVES a deliberate, systematic plan of reducing us to *slavery*. " - **Thomas Jefferson, referring to the future of the Illuminati**

Perhaps just skip the next 2 Chapters and go into the Numerology in Chapter 3 and 4.

London Bus Blasts on 7/7/2+0+0+5 - **7-7-7** (it was first reported during this event that "**11**" buses, "**7**" tunnels, "**33**" dead - all part of their freemasonic numerological pattern. The first bus to be exploded was #205 (adds to **7**) The blasts occurred at **11** minutes to **9am.**)

On 7/22/2005 Michael's Haupt's (of threeworldwars.com) prediction for an event to take place on July 22nd, 2005 came precisely true down to the hour and minute of the explosion - as he explains in detail on his website. The mysterious Big Ben jamming on 5/27/2005 actually sent an occult signal foretelling of the coming date of terrorism, which Michael concluded as a signal for for a date of terrorism. In Cairo Egypt on 7/22/2005 a bomb was detonated at 22:07GMT murderin "88"(8x11). 22:07 pm was actually the start time of the "13" minute jamming of the Big Ben London clock on 7/22/2005.

Recently, the bombs in **Bali** Indonesia have their "33" signature on it too. First, a bomb went off in **Bali** 1 year, 1 month, and 1 day after 9-11 (that's a "111" sequence), on 10/12/2002. "11" days before the "3rd" anniversary of that first bombing they killed more Indonesians on October 1st, 2005. (that's an example of the freemasonic "33" signature.)

Last year, a terrorist attack against the Sears Tower in Chicago was averted on April **19th**, 2004 when it was exposed on the Internet; <http://www.breakfornews.com/sears.htm> This thwarted attack was supposed to take place on April **19th**, 2004, which was **911 hours** after the day of the Madrid Train Bombings(3/11/2004).

When you add up the number of days after April **19th**, 2004 and end with today's date, July **7th**, 2005; it is **444** days. There are **777** days from that date to **6/6/6**, leaving **333 days** between the London attack and **6/6/6**.

3/11 happened 911 days after 9/11 April 20th, 2004 --> July 7th, 2005 = **444** Days Train Bombings;  
<http://www.infowars.com/print/Madrid/311.htm>

So today's attacks in London, which are very similar to the Madrid train bombings, **were totally staged attacks carried out by the Globalists.**

This conclusion is based on the "444" numerology linked to the time window between the averted Sears Tower attack on April 19th, 2004 and the attacks in London. It's also convenient that the timing of today's attacks in London was coordinated with meeting of the G8 summit in Scotland in order to ramp up the police state in Great Britain and give the Globalists a pretext to shut down protests taking place outside the G8 compound;

**Aleister Crowley (cover image)** also wrote a book entitled "**777**" :This book was part of Crowley's apprentice work in the Golden Dawn, and contains a great quantity of Qabalistic information, correspondence tables, & essays, including some of his most extensive work on Gematria.

To Come:

August "**11th**–August **21st**", 2005: Universiade summer games will be held in Izmir,

Turkey.

September "**13th**", 2005 The rest of the Hong Kong Disneyland Resort opens.

September "**18th**", 2005 The 57th annual Emmy Awards are handed out in Los Angeles

September "**27th**", 2005 Danish referendum on the European Constitution.

November "**18th**", 2005: **Harry Potter** and the Goblet of Fire is released in the US and UK movie theaters on this day.

November "**27th**", 2005 The 93rd Grey Cup game to be played in Vancouver, Canada.

December "**9th**", 2005 Luxembourg will join the ESA.

*What will the future day of terror and the expected occult **timing** of it tell us all? ( Upon Revision II - The London Train Bombings on 7/7/2005 ->7/7/2+0+0+5 -> 7-7-7 at 8:49am or **11** minutes to **9**. )*

Does this entire ( and amazing ) sequence of events with the obvious use of occult numerology in the dates throughout history surprise you? If not, review them again perhaps using a spreadsheet to calculate the unfathomable numerical improbability of these events all strung together. In review, please note that our hidden rulers apparently fund both sides of any conflict and fund most if not all military and terror operations and decide the date the event will occur; yes their power has grown to this degree!

Interestingly Daniel's biblical prophecy foretells that an "abomination that causes desolation" is going to be set up after 1260th day. Using 9-11-01 as that index date, the 1260th day becomes 2/"**22**"(2x11)/05. That mysteriously also happens to be exactly "**3**" months and "**11**" days past the WHO conference on the coming pandemic flu plague held on "**11**"/"**11**"/04! {Rev II: 2/22/05 was date the CDC announced the coming 'spanish flu'-type pandemic - as the timing was predicted..}

**A forum member at David Icke's forum <http://www.ickedownload.com> posted the following:**

Am I paranoid or what!!!???

The front page of my paper reads (Right next to the IRAQ accidental amputee who had a house built by volunteers of course) "NATURAL GAS BILLS SOARING"

In the side bar it reads:

**Quote:**

"BY THE NUMBERS

27 Percent monthly Bay State Gas bills will go up starting 11/1

\$66 Amount monthly bill will rise for gas heat customers

\$6 Amount monthly bill will rise for non-gas heat customers

140,000 Number of customers in southeastern Massachusetts served

by Bay State Gas"

**Quote:**

"The average monthly bill is expected to increase from \$226 last year to \$292 this winter."

**Quote:**

"...bills are expected to go up \$6 a month, or 19 percent. The average non-heating customer's monthly bill will go from \$33 last year to \$39 this winter."

**Quote:**

"heating oil is creeping up toward \$3 a gallon an electricity is going up more than 27 percent."

Totally..

It's their inside communication method for elite BS that they like to use repetively throughout headlines and 'history'. Unfortunately ordinary slaves don't have the attention span or care to realize what it represents... that they are being controlled like farm animals... and clearly a 33rd degree freemason authored this total bogus article. The numbers apparently all not important datapoints about the oil supplies and demand in the world, but total disinfo pulled out of his freemasonic-owned arse...

The freemason number **code** has been fully cracked and exposed for almost a full year now with the initial publication of Revelation 9:11. Only a few hundred people worldwide at tops understand and comprehend it at this point. The most concentrated awareness is found in this particular forum and the regular listeners of Jack Blood radio.

Certainly this is their most overtly fashioned evidence of their control and intrigue, quite an arrogance actually. This is how they have 'owned' and put their 'signature' atop the progression of history leading up to the one world fascist state.

They will likely not stop this methodology. They apparently all get a big kick out of it atop the pyramid... it aids them in viewing the masses as a stupid self-imprisoned amorphous mass with no real benevolent leadership. They shed more of their guilt by this method, or at least divide it amongst themselves. They pridefully serve their 'Lucifer' god by this architecting of 'history' and maintain their contempt for humankind. This secret coding language unites the

them to feel more 'powerful' against humanity.

This methodology, although somewhat simple in its basic design, is too sophisticated for ordinary average intellects to comprehend much less understand the hostile ramifications of. The elite already have that figured out, are probably not concerned about their coded language being ever being discovered, and are continuously banking on it daily. The ebook, Revelation 9:11, points out the unmistakable use of it as far back as 1900 with hundreds of examples. (like WW I being officially over on 11/11/1918 at 11am.)

Therefore it unfortunately is only a naive assumption to predict that billions of ordinary people around the world will eventually learn of this. For example, try explaining to this anyone in the general public. Their default reaction is to react to you as if you went to school on another planet.

We in the know are only left to be fascinated by it - like a semi-transparent globally destructive hurricane against all the people of the world that keeps on spinning around and around - with an all-seeing-eye center. Lovely, eh? To me, not any more than understanding the mind of a cult of self-proclaimed 'illuminated' serial killers.

It's their most ***overt*** method of their madness.
