

# Free Health Care For Life

## No More Insurance!

**No Deductibles, No Co-pay, No Premiums  
You get to keep all that money for your family!**

Currently \$400 billion/yr spent on health care is 'earned' by CEO's and wealthy investors, \$400 bil profit. If that money were spent on health care, every American could have the health care they need- **free for life!**

(mental, dental, eye, presc. drugs, alternative med, complimentary , prevention - EVERYTHING)

**What would you do with all the money you would save?**

**Put it in the kids college fund? NO! Because DK is also offering FREE COLLEGE for ALL!**

**Dennis Kucinich will  
End Health Care for Profit  
and *Change the System* to  
Health Care for People**

**'Unelectable' - or a threat to big \$\$ and \$30 million CEO salaries?**
