

Bored this summer? Why not enter the

WRFU Logo Contest

WRFU, Radio Free Urbana, is a new community radio station starting up in town. Based on the new low-power FM broadcasting license, WRFU hopes to be on the air by the end of the year. As a community radio station, we are dedicated to providing a platform for the public to express themselves. WRFU holds meetings every 1st and 3rd Tuesday of the month at the UC IMC, located at 218 W. Main St. in Urbana. All meetings are open to the public, and WRFU can also be contacted through our e-mail list, RFU@lists.groogroo.com. The station is just starting up, and one of the first things we need is a logo. As such, we are holding a contest to come up with a design. Anyone is welcome to submit artwork. Details below:

- The contest is open to anyone
- Content: The design must incorporate "WRFU, Urbana" and the station's frequency, 104.5 FM.
- Dimensions: The design must be 8.5"x11", or scaleable to this size
- Color: Must be monochromatic and reproducible either in one color or in black and white.
- Submissions can be mailed to:
WRFU Logo Contest
P.O. Box 953
Urbana, IL 61803

Please include an envelope containing contact info with all entries

- Grand Prize: The winning entry will receive a Freeplay FPR2 GSW, a self-powered AM-FM-Shortwave radio. This radio can be powered by its built-in solar panel, easily cranked by hand, or plugged into the grid with an adapter (not included). It was designed to provide access to broadcast media where power is not readily available.

Deadline: All entries must be received before **Tuesday, September 14th**. The winning entry will be announced within two weeks.

Any questions can be submitted to RFU@lists.groogroo.com

Please note: All participants must grant WRFU the right to use their design any way and for as long as WRFU so chooses
